Provides instructions for non-competitive games that use music tapes or CDs and simple instruments to help children learn about music and sound and develop creative, personal, and social skills

Music games are relaxing and playful. They encourage creativity both in children's imagination and expression. All players need is a willingness to have fun and to experience the joys of interacting with others. The games include rhythm games, dance and movement games, card and board games, and musical projects. All of the games stress humor, challenge, surprise and cooperation rather than competition.

This lively and imaginative book is being used in homes and schools in over 13 countries to help children learn about music and sound while they develop the ability to listen, concentrate, be creative, improvise, and trust one another. Using audiocassettes or CDs, of popular songs and simple instruments children and adults get to play listening games, concentration games, musical quizzes, trust games, guessing games, and more. The games are not competitive- they encourage and reward children for participation, not for winning. The SmartFunActivity series encourage imagination, social interaction, and self-expression in children. To make the books easy to use, games are marked according to appropriate age levels, length of play time, and group size, using helpful icons. Most games are non-competitive and none require special skills or training. The series is widely used in homes, schools, daycare centers, clubs, and summer camps.

Presents a collection of rhythm instrument activities using rhythm sticks, shakers, jingle bells, sand blocks, and other instruments for preschool children.

A collection of more than one hundred melodic amusements, rhythmic routines, and philharmonic fun and games for parents, teachers, scout leaders, or anyone wishing to utilize the wonderful medium of music to elicit creativity and encourage learning among young people.

This action-packed compendium offers parents, teachers, and anyone else who works with kids a wide array of ingenious sound and dance activities from a variety of cultures to get kids singing, dancing, listening, interacting, and involved. 101 More Music Games for Children includes games that facilitate musical development, such as sound games, rhythm games, game projects, and card and board games. excitement, humor, challenge, surprise, and cooperation rather than competition. Whether or not kids are "musical" or play an instrument, these activities can help them: develop musical skills such as spontaneous singing; create, play, and recognize various rhythms; appreciate the structure of sounds; and learn how to play with all kinds of instruments. Like its best-selling predecessor, this book encourages and enhances creative expression, social interaction, family relationships, and kids' budding powers of listening, concentration, and discrimination.

Everybody enjoys the chance to escape from reality from time to time, to climb inside the skin of another character. This book encourages children and adults to explore their dramatic sides and has playful ideas everyone can get involved with and enjoy. Throughout drama games, children get more in touch with themselves, what they want to be, and what they can do. The games are improvisational, framed to encourage total involvement and cooperation - the participants gain as much as they contribute. Each drama game contains an age guideline, an estimate time of play, and suggestions for the most appropriate type of music. The games can be played by children and adults of all ages, and are flexible enough to be used by parents, teachers, camp leaders, daycare providers, or other group leaders in a variety of settings.

Encourages children to develop their imaginations, social skills, self-expression, and coordination with a collection of 101 dance games that emphasize creativity, no-blame activities, working with a group, and more.

Every body is made to move, and moving is one of the best things we can do for our bodies. children who learn the joy of moving at an early age improve their chances of remaining active and healthy throughout life. The games in this book will also help children develop a healthy sense of play. These noncompetitive games - which focus on pure movement, rather than dance or music - stress excitement, humour, challenge, surprise and cooperation. Players just need enthusiasm and a willingness to explore activities with others.

A special curriculum designed to teach racial, sexual, and ethnic diversity assembles over thirty journal, role-playing, storytelling, and research activities to promote peace and acceptance.
