I was looking at the Helm Inc. site and was poised to
order a service manual for my Aero 750. I noticed they
only had a manual listed for the VT750C and not for the
VT750CA (mine is the latter). Does anyone know what
the difference is ...

AdrenalineMoto is an authorized dealer of Parts-Unlimited and claims no ownership or rights to this catalog. The Parts Unlimited 2014 Street catalog is more than “just a book.” It is designed to help you and your customers get the most out of your passion for powersports. It showcases the new, exciting, in-demand products, as well as highlighting trusted favorites. The well-organized catalog sections make it easy to find the items you want. And every part is supported with the latest fitment information and technical updates available. Looking for tires? See the Drag Specialties/Parts Unlimited Tire catalog. It has tires, tire accessories and tire/wheel service tools from all the top brands. And for riding gear or casual wear, see the Drag Specialties/ Parts Unlimited Helmet/Apparel catalog. Combine all three catalogs for the most complete powersports resource of 2014.

The Complete Idiot's Guide to Motorcycles, Fourth Edition, is the most complete book on motorcycles, covering everything from how to choose and maintain a motorcycle and how to buy appropriate gear, to how to ride safely, and how to make the most out of trips on the open road.

VT1100C Shadow Spirit (1997-2007), VT1100C2 Shadow 1100 American Classic Edition (1995-1999), VT1100C2 Shadow Sabre (2000-2007), VT1100C3 Shadow Aero (1998-2002), VT1100T Shadow 1100 American Classic Edition Tourer (1998-2000)

Suspension is probably the most misunderstood aspect of motorcycle performance. This book, by America's premier suspension specialist, makes the art and science of suspension tuning accessible to professional and backyard motorcycle mechanics alike. Based on Paul Thede's wildly popular Race Tech Suspension Seminars, this step-by-step guide shows anyone how to make their bike, or their kid's, handle like a pro's. Thede gives a clear account of the three forces of suspension that you must understand to make accurate assessments of your suspension's condition. He outlines testing procedures that will help you gauge how well you're improving your suspension, along with your riding. And, if you're inclined to perfect your bike's handling, he even explains the black art of chassis geometry. Finally, step-by-step photos of suspension disassembly and assembly help you rebuild your forks and shocks for optimum performance. The book even provides detailed troubleshooting guides for dirt, street, and supermoto--promising a solution to virtually any handling problem.

VT750C Shadow ACE (1998-2000), VT750DC Shadow Spirit (2001-2006), VT750CD Shadow ACE Deluxe (1998-2003)

'Poster Art' showcases an international collection of graphic design in this continually developing area. From mass-market designs to exclusive, limited-edition works, it explores both the creative inspiration behind the work, as well as looking at the practical

Roman religion has long presented a number of challenges to historians approaching the subject from a perspective framed by the three Abrahamic religions. The Romans had no sacred text that espoused its creed or offered a portrait of its foundational myth. They described relations with the divine using technical terms widely employed to describe relations with other humans. Indeed, there was not even a word in classical Latin that corresponds to the English word religion. In *The Gods, the State, and the Individual*, John Scheid confronts these and other challenges directly. If Roman religious practice has long been dismissed as a cynical or naïve system of borrowed structures unmarked by any true piety, Scheid contends that this is the result of a misplaced expectation that the basis of religion lies in an individual's personal and revelatory relationship with his or her god. He argues that when viewed in the light of secular history as opposed to Christian theology, Roman religion emerges as a legitimate phenomenon in which rituals, both public and private, enforced a sense of communal, civic, and state identity. Since the 1970s, Scheid has been one of the most influential figures reshaping scholarly understanding of ancient Roman religion. *The Gods, the State, and the Individual* presents a translation of Scheid's work that chronicles the development of his field-changing scholarship.
