Haynes manuals are written specifically for the do-it-yourselfer, yet are complete enough to be used by professional mechanics. Since 1960 Haynes has produced manuals written from hands-on experience based on a vehicle teardown with hundreds of photos and illustrations, making Haynes the world leader in automotive repair information.

Each Haynes manual provides specific and detailed instructions for performing everything from basic maintenance and troubleshooting to a complete overhaul of the machine, in this case the Honda Shadow VT600 and 750, model years 1988 through 2019. Do-it-yourselfers will find this service and repair manual more comprehensive than the factory manual, making it an indispensable part of their toolbox. This manual covers the following
