As an existing fan of this world, A Demon's Dark Embrace was a fantastic read and I stand by my 5 stars rating. However, because the timeline for this book overlaps events that happened in The Fae Chronicles, jumping straight in with this one may cause new readers to feel a bit lost. There are lots of story threads that run in both series.

A Demon's Dark Embrace is Ristan's story. I had to do a little mental adjusting right off the bat because I always pictured Ristan as pot bellied, bald and blue with swirly eyes. No, no one told me to do that – I suppose I could have paid more attention to actual descriptions in the books – but Ristan was Syn's friend.

DARK EMBRACE Jennaveve, the Fey chosen by the Goddess to be the queen of her people for the past few millennium, is tired and wishes for a break, but hadn't counted on being reduced to almost mortal thanks to a dark stranger. They say you should be careful what you wish for. The last time she'd taken a break, her Fey had left their realm, resulting in shifters on Earth known as the Mystic and Iron Wolves and even more she was still searching for. Damien and Lucas Cordell knew they'd share a Hearts Love when the time came. As the twin sons of the Vampire King who'd mated a shifter, they were

the first of their kind. When they'd thought their mate was finally within their reach and was a shifter like their mother only to realize she wasn't theirs, they'd almost lost their lives to the alpha of the Iron Wolves, Kellen Styles. Instead, the error led them to the being that was...the Fey Queen Jennaveve. Only she was even more elusive than the wind. Time and patience was something Damien and Lucas had in spades, until the female they'd already laid claim to, even if she hadn't accepted them yet, was taken by an enemy. Saving Jenna became their one and only focus. As time and realms slip between them, their fear for her had them forgetting about patience and made claiming Jenna as their Hearts Love, hoping she accepted their Dark Embrace. Will the Cordell Twins be able to rescue Jenna from the evil who has taken her? Will Jenna get her powers back? Who is the dark presence and how will they defeat a being who is strong enough to bring the Fey Queen down to her knees? it didn't stop it. Instead, she's now prisoner to the broody, cocky, self-absorbed prince that makes her want things she's never thought possible. Will she be able to resist him and save her court from the horrors that the Horde has planned? Sinjinn had a mission: Get Cailean to the Winter Court to claim his bride. It should have been simple. Instead, he gets taken down by a wisp of a woman who stares at him through the clearest blue eyes he's ever seen before. The taste of her lips sends his world teetering on devastation. She's his prisoner, so why shouldn't he claim her as his? Because she's his brothers bride. Because it wasn't complicated enough, right? One arrow will change the destiny of three lives forever. Will they be able to escape the blood oath, or will he lose her to a brother who doesn't even want her? New allies are being forged, new enemies emerge and no one is safe within the Realm of Faery anymore.

I thought things couldn't get worse. I was wrong. I found out what I really wanted and was forced to give him up. Just as I found out who I really am, I was presented to the elusive Horde King as a gift. This was the mystical being I was hidden from for more than twenty years. Although Ryder promised to save me, I couldn't let him get near this creature, so I willingly (sort of) signed myself over to be his new plaything. Now in the Horde Realm, nothing is going remotely

like I thought it would. My powers and emotions are on the fritz, and each day seems to bring surprises that I am not sure how to deal with. The Horde King thinks he has me exactly where he wants me. He thinks he has taken all of my options away. I still have choices. Embracing what destiny has planned for me, or escaping it.
