The music for the fantasy TV series Game of Thrones is composed by Ramin Djawadi. The music is primarily non-diegetic and instrumental with the occasional vocal performances, and is created to support musically the characters and plots of the show. It features various themes, the most prominent being the "main title theme" that accompanies the series' title sequence. In every season, a soundtrack album was released. The music for the show has won a number of awards, including a Primetime Emmy Aw

A Song of Ice and Fire - Wikipedia  
A category for songs that appear within the fictional universe of the Game of Thrones television series. That is, these are songs which the characters themselves know about, and which people might sing on-screen, as opposed to background music which only appears in the soundtracks (though sometimes, songs characters sing on-screen are subsequently used in the soundtracks).
