So begins the no-holds-barred autobiography of Monica Mayhem—a porn star and proud of it. In her funny and disarmingly candid voice, she reveals the ins and outs of making it big in Los Angeles, the pornography capital of the world. Just how did a girl who was taunted at school because her eyes were "too big," and who carved out a respectable career for herself trading oil futures in the financial markets of Sydney and London, go on to make over four hundred hardcore adult movies (and counting), win numerous industry awards, and even land herself a role in the first Sex and the City movie? From her troubled childhood to her first show at the famous Spearmint Rhino in London to her favorite sex toys, Monica reveals how she built her empire—which now includes hundreds of films, a website, and lucrative burlesque performances. Absolute Mayhem lifts the lid on the sex, rock, and mayhem of Monica's truly extraordinary professional life and unveils the private person behind it all.

How to Make Love Like a Porn Star, the mega-bestselling memoir, triumphant survival story, and cautionary tale that spent over six weeks on the New York Times bestseller list and rocketed adult film icon Jenna Jameson into the mainstream spotlight, is now in paperback and ebook for the very first time. Her unforgettable memoir, written with master storyteller Neil Strauss, is many things at once: a shocking sexual history; an insider's guide to the secret workings of the billion-dollar adult-film industry; and a gripping thriller that probes deep into Jameson's dark past. With never-before-seen photographs from Jenna's private collection, exclusive photos taken for this book, and original cartoon strips, this memoir is an unparalleled exploration of sexual freedom. In the underbelly of Las Vegas, a cesspool of warring biker gangs and seedy strip clubs, gawky, brace-faced Jenna Massoli was transformed into the bombshell Jenna Jameson. Today, Jenna is the biggest star in the history of adult movies, consistently ranked as one of the most beautiful women alive. But behind the glamour and the meteoric rise to fame was a path paved with tragedy and heartbreak. As a teenager—drawn into a dark and chaotic world where rape, abuse, and murder were commonplace—Jenna began her rapid downward spiral of addiction and degradation . . . while at the same time becoming the porn world's biggest crossover success story.

Join former Penthouse Variations "Cinema Blue" columnist and current AVN Online International Correspondent Gerrie Lim as he documents the perverse universe of the porn star and exposes the curious and complex world of sex and celebrity. Read interviews with Jenna Jameson, Jill Kelly, Silvia Saint, Asia Carrera and many more adult-film superstars and find out what really happens off-camera at porn shoots.

Now you're in for it! Join world famous film star Rebecca Lord as she takes you into the strange and hilarious world of adult films. Rebecca started in the business when she was a very young woman in France, but soon became well known in the industry and moved to America to further her career. While in the U.S., she became a huge star, and made a lot of friendships with some famous stars on the way, before returning to Europe where she continues to direct movies. This book is full of amazing, sexy and too-funny stories that will have you laughing out loud! Rebecca Lord is a world famous adult film star and a member of the AVN Hall of Fame. Brian Whitney is the author or co-author of 7 books, including an autobiography of Porsche Lynn and the novel Raping the Gods.

The moving, gripping, and tell-all autobiography of Traci Elizabeth Lords, a former child porn queen, electronica maven, and cult movie and TV star. At 14, Nora Kuzma ran away from home and ended up on the dirty streets of Hollywood. She fell in with a fast crowd, and her dreams of modelling soon landed her a spectacular centrefold in Penthouse Magazine, where at 15 she became internationally known as TRACI LORDS. From there she appeared in numerous adult films and magazines, denying her past and battling a deep addiction to cocaine and men. Three years later she got out. This is her memoir—a tale of loss, redemption, and ultimate survival as Traci Elizabeth Lords takes you into her secretive past, faces her demons, and shares her extraordinary journey of personal growth.

A memoir from the former porn star and addict Jennie Ketcham, whose stage name was Penny Flame.

An explicit look into the world of porn, from a woman who was a superstar in the industry. Small, aka Ashley Blue, weaves through the intricacies of a decade in and out of the adult film industry, love, drugs, and her own firebrand of what it means to live ecstatically.

The world knows her as a porn star. . . but it's her way with words that will touch you again and again. Asa Akira's perceptive, funny, and straightforward writings on love, sex, death, marriage and celebrity come together in a surprising book of essays. Personally revealing as well as universal, Dirty Thirty marks the coming of age of a new literary star.

The world is fascinated by sex and the sex industry. In the last 20 years, we have seen X-rated movies go from a theater in the worst part of town to our own VCRs and on the menu of expensive hotels as in-room entertainment. Its stars have gone from being virtual unknowns in the early 70s to doing appearances on Jay Leno and television talk shows. The adult film business has grown by leaps and bounds. In 1984 alone more people rented or bought an X-rated movie than voted for Ronald Regan. In this book, I have given the reader an uncensored, inside look at all the workings of the sex industry from movies and magazines to mens clubs and all the emotions that go along with it. By reading these excerpts from my personal diary, I share with you the anger, elation, sadness and fear that have comprised my life. I give an inside look at the many famous people I've met and their personal quirks. As the first Native American porn star, I show you how this line of work is seen in the eyes of my religion and culture, and I share some of the healing ceremonies I have experienced. Why would a young woman decide to get into such a business? What is it like to make an X-rated movie or to dance nude on stage in a gentlemen's club? Many women say it is empowering. What kind of lives did these women have before entering the world of X? Why do they say it increases their self-esteem? Is it REALLY healthy emotionally? Why have five of my colleagues committed suicide? Whats it like when your friends (and the Godmother of your children) are dropping like flies? Why would a sexually abused and abandoned child decide of her own free will to make X-rated movies and how could this possibly be a healing experience? Is it really?
