Revised edition of Advertising & IMC,
[2015]

For introductory courses in advertising. An accessible, well-written, and student-friendly approach to advertising. Advertising tracks the changes in today's dynamic world of media and marketing communication—as well as the implications of these changes to traditional practice—and presents them to students through an accessible, well-written approach. The Tenth edition highlights the increasing importance of consumers as the driving force in today's advertising strategies, social media, and the Internet evolution/revolution. It also includes an increased IMC and brand focus.

guide to the real world of advertising in Australasia using award-winning examples of how and why great advertising is achieved. It features new coverage of advertising's role within the integrated marketing communications (IMC). Moriarty explores the ever-changing media landscape and encourages readers to think about the ways in which advertising operates as part of a broader communication strategy. How do you define great advertising? How do you encourage creativity in advertising? How can interactive and digital media add value to advertising? These questions, and many more are comprehensively answered inside this Australian adaptation of the US text, *Advertising & IMC: Principles and Practice* by Moriarty, Mitchell and Wells.

2011 02 17 Hardcover

Marketing in the digital age poses major challenges for traditional and established practices of communication. To help readers meet these challenges Principles of Integrated Marketing Communications: An Evidence-based Approach provides a comprehensive foundation to the principles and practices of integrated marketing communications (IMC). It examines a variety of traditional and digital channels used by professionals to create wide-reaching and effective campaigns that are adapted for the aims of their organisations. This edition has been thoroughly revised and each chapter includes: case studies of significant and award-winning campaigns from both
