" Oh, that You would rend the heavens! That You would come down! " Millions have prayed that, and pray it now. In the Day of Thy Power is filled with plentiful quotations from eyewitnesses of revival and with inescapable biblical authority for such " times of refreshing . . . from the presence of the Lord. What does it mean to enter the presence of Jesus? Can people today do this or only biblical characters? In this classic book, Joseph Carroll shows us what it means to truly come into Jesus ' presence. There is so much more to truly worshiping Jesus than church services and personal devotions. True worship requires complete commitment of emotions, intellect, and will—and our reward is great. Carroll directs us into the presence of Christ by drawing on Scripture, especially the book of Revelation, and by giving practical steps of personal worship. The experiences of some of history ' s greatest saints also serve as relatable examples of true worship. This deeply practical and personal book will help us know Jesus more intimately on a daily basis. It will help us draw close to Christ, to experience His presence, and to worship Him in ways far better than what most of us imagine to be possible.

There is an appetite for God. And it can be awakened. I invite you to turn from the dulling effects of food and the dangers of idolatry, and to say with some simple fast: "This much, O God, I want you." Our appetites dictate the direction of our lives - whether it be the cravings of our stomachs, the passionate desire for possessions or power, or the longings of our spirits for God. But for the Christian, the hunger for anything besides God can be an arch-enemy. While our hunger for God - and Him alone - is the only thing that will bring victory. Do you have that hunger for Him? As John Piper puts it: "If we don't feel strong desires for the manifestation of the glory of God, it is not because you have drunk deeply and are satisfied. It is because we have nibbled so long at the table of the world. Our soul is stuffed with small things, and there is no room for the great." If we are full of what the world offers, then perhaps a fast might express, or even increase, our soul's appetite for God. Between the dangers of self-denial and self-indulgence is this path of pleasant pain called fasting. It is the path John Piper invites you to travel in this book. For when God is the supreme hunger of your heart, He will be supreme in everything. And when you are most satisfied in Him, He will be most glorified in you.
