I have taken 30 credits worth of CLEP exams and I've passed them all by using your study guides. I actually purchased one of your study guides and failed my first test. I didn't fail because of your guide though, I failed because I didn't manage my time effectively and I ran short. I looked at your study guide after failing though, and a lot of the information on your study guide was very relevant to what was on the test. So, I tried again with a different test and a different study guide of yours. I passed. This pattern continues for 30 credits. I graduate on June 9th thanks to you guys, so I wanted to say thank you. The guides were worth every penny. Thanks. -John S.\*\*\*\*I would like to thank you for your study guides. I will be graduating in December with two bachelor degrees and CLEP helped me get there quickly. I gained 36 credits through CLEP and your study guides helped me through almost all of them. I can honestly say that I would not have passed many of the tests without your guides. Great products. Thanks!! -Erin W.\*\*\*\*
