The official novel of the bestselling real-time strategy franchise • In the twenty-first century, Earth is infested with Tiberium, an alien substance that could be humanity's salvation . . . or its downfall. Though Tiberium is a resource that could solve the world's energy crisis, it is also incredibly destructive, spreading disease, death, and devastation. Tiberium has divided the planet into two factions: the Global Defense Initiative (GDI), which tries to maintain order at any cost, and the Brotherhood of Nod, a terrorist organization turned superpower that believes with religious fervor in the potential of Tiberium. The groups have already fought two world wars, killing millions. Now, in the year 2047, a vicious Nod attack compels GDI to mobilize. Another epic global war is being waged, with humanity's fate in the balance. One of GDI's top units, the 22nd Infantry Division, must halt Nod's agenda and keep the world from devolving into further chaos and loss of life. But in the midst of heavy fighting all over the world, mysterious visitors arrive . . . who may spell doom for the human race.

Detailed Unit Stats - An in depth look at all the units in the game with behind the scene stats will give you the edge you need for victory. Complete Campaign Walkthrough - Don't get stuck on any one scenario or mission. The Prima walkthrough will provide all the strategies and tips you need to keep the story rolling. Muliplayer Maps & Strategy - Full color detailed maps of every multiplayer battleground gives you the birds eye view of the strategic points of control. Tips and strategies from the experts will provide the edge you need to succeed against other players from around the world.

College Ruled Color Paperback. Size: 6 inches x 9 inches. 55 sheets (110 pages for writing). Command And Conquer 3 Tiberium. 157684911512

Westwood Studios has dropped a bombshell on the competition this year with the sequel everyone's been waiting for -- "Command & Conquer Tiberian Sun". "Command & Conquer Tiberian Sun" takes place more than twenty years after the dramatic finale of C & C, as the player rejoins the fight between the imperialistic Global Defense Initiative (GDI) and the hard-core revolutionaries that form the Brotherhood of Nod. Tiberian Sun will keep the millions of Command & Conquer junkies across the world happy for a long time!

Understand Video Games as Works of Science Fiction and Interactive Stories Science Fiction Video Games focuses on games that are part of the science fiction genre, rather than set in magical milieux or exaggerated versions of our own world. Unlike many existing books and websites that cover some of the same material, this book emphasizes critical analysis, especially the analysis of narrative. The author analyzes narrative via an original categorization of story forms in games. He also discusses video games as works of science fiction, including their characteristic themes and the links between them and other forms of science fiction. Delve into a Collection of Science Fiction Games The beginning chapters explore game design and the history of science-fictional video games. The majority of the text deals with individual science-fictional games and the histories and natures of their various forms, such as the puzzle-based adventure and the more exploratory and immediate computer role-playing game (RPG).
