Cryptography Theory and Practice, Third Edition last modified January 19, 2006. The third edition of this cryptography textbook by Doug Stinson was published in November, 2005, by CRC Press, Inc. Click here to see the publisher's web page for the book. The third edition is an expanded version of the second edition, all in one volume. (I discarded the idea of a two-volume set mainly so the price would be as low as possible.)
