If you've watch the episode of George goes bowling on PBS, it's pretty much line for line. It's entertaining with the flaps and my toddler gets excited to be the one to flip them to reveal what's next. Good book, but since each page is multiple sentences, a toddler may get anxious to turn the page before you're done. 2 people found this helpful

We read it every night at bedtime and recite it several times throughout the day. The lift the flap design was a welcome surprised to make the book a little more interactive. Since it is a paperback book, I doubt ...
