Our responsibility is to empty ours. ” - Andy Stanley, Deep and Wide: Creating Churches Unchurched People Love to Attend. 27 likes. Like. “ We are committed to involving as many people as possible, as young as possible, as soon as possible.

Deep and Wide Quotes by Andy Stanley - Goodreads

In Section One of Deep and Wide, Andy Stanley attempts to establish his authority as a church expert before making a biblical case. By the time readers get to Andy ’ s “ biblical ” argument for the NPM model in Section 2, the reader has already subconsciously become an observer of the Andy Stanley story. If the reader isn ’ t careful, he will miss how the story ’ s protagonist misapplies scripture to support an untenable church model.

Deep and Wide Quotes by Andy Stanley - Goodreads

In Section One of Deep and Wide, Andy Stanley attempts to establish his authority as a church expert before making a biblical case. By the time readers get to Andy ’ s “ biblical ” argument for the NPM model in Section 2, the reader has already subconsciously become an observer of the Andy Stanley story. If the reader isn ’ t careful, he will miss how the story ’ s protagonist misapplies scripture to support an untenable church model.

Nearly 2,000 years ago, Jesus started a movement that has grown like wildfire throughout history. Author and pastor Andy Stanley draws from Scripture and over 25 years of pastoral experience to bring to life the irresistible nature of this movement known as the Church. With surprising candor and transparency pastor Andy Stanley explains how one of America ’ s largest churches began with a high-profile divorce and a church split. But that ’ s just the beginning... Deep and Wide provides church leaders with an in-depth look into North Point Community Church and its strategy for creating churches unchurched people absolutely love to attend. Andy writes, “ Our goal is to create weekend experiences so compelling and helpful that even the most skeptical individuals in our community would walk away with every intention of returning the following week...with a friend! ” Later he says, “ I want people to fall in love with the Author of Scripture. And while we can ’ t make anyone fall in love, we can certainly arrange a date. ” For the first time, Andy explains his strategy for preaching and programming to “ dual audiences ”: mature believers and cynical unbelievers. He argues that preaching to dual audiences doesn ’ t require communicators to “ dumb down ” the content. According to Stanley, it ’ s all in the approach. You ’ ll be introduced to North Point’s spiritual formation model: The Five Faith Catalysts. Leaders responsible for ministry programing and production will no doubt love Andy ’ s discussion of the three essential ingredients for creating irresistible environments. For pastors willing to tackle the challenge of transitioning a local congregation, Andy includes a section entitled: Becoming Deep and Wide. If your team is more concerned with who you are reaching than who you are keeping, Deep & Wide will be more than a book you read; it will be a resource you come back to over and over! “ Couldn’t be prouder of my son, Andy. And I couldn’t be more excited about the content of this book. I wish a resource like this existed when I was starting out in ministry. ” - Dr. Charles Stanley.

Founder, In Touch Ministries “ Deep and Wide pulls back the curtain for all of us to see what is required behind the scenes to build a prevailing church. I was both challenged and inspired by this book. ” - Bill Hybels, author of Just Walk Across the Room “ The most common question I get from pastors is, ‘ How do I get the people in my church to be open to change?’ From now on my answer will be, “ Read Deep and Wide by Andy Stanley ’ . Thanks Andy, Great book!” - Craig Groeschel, Pastor, LifeChurch.TV, author, It: How Churches and Leaders Can Get It and Keep It “ No one has given me more practical handles for establishing a focused vision than Andy Stanley. Deep and Wide is a rich resource to help all of us stay intentional about the main thing - building a church that reaches people who are far from God. ” - Steven Furtick, Lead Pastor, Elevation Church

Includes a Q&A with the author and a team discussion guide.

Every Sunday people walk onto your church campus and decide if they will return the following week before the preacher even opens his mouth. Many of those people don’t know what to make of Jesus. They’re hesitant to be in a church. They’re not sure they belong. But over and over in the pages of the gospels, we see something extraordinary. People who were nothing like Jesus liked Jesus. Shouldn’t that be true of his church as well? In Going Deep & Wide, Andy Stanley lays out a blueprint for becoming that kind of church. Going Deep & Wide offers practical steps to help church leaders create irresistible environments, define ministry goals, and communicate more effectively with unbelievers. Each section includes discussion materials that walk you more deeply into the content of Deep & Wide and invites conversations about how to apply what you’ve learned.

Pastors want to reach the lost with the good news of Jesus. However, we ’ ve too often assumed this requires loud music, flashy lights, and skinny jeans. In this gentle manifesto, Jared Wilson—a pastor who knows what it ’ s like to serve in a large attractrational church—challenges pastors to reconsider their priorities when it comes to how they “ do church ” and reach people in their communities. Writing with the grace and kindness of a trusted friend, Wilson encourages pastors to reexamine the Bible ’ s teaching, not simply return to a traditional model for tradition ’ s sake. He then sets forth an alternative to both the attractrational and the traditional models: an explicitly biblical approach that is gospel focused, grace based, and fruit oriented.

A fresh look at the earliest Christian movement reveals what made the new faith so compelling...and what we need to change today to make it so again. Once upon a time there was a version of the Christian faith that was practically irresistible. After all, what could be more so than the gospel that Jesus ushered in? Why, then, isn't it the same with Christianity today? Author and pastor Andy Stanley is deeply concerned with the present-day church and its future. He believes that many of the solutions to our issues can be found by investigating our roots. In Irresistible, Andy chronicles what made the early Jesus Movement so compelling, resilient, and irresistible by answering these questions: What did first-century Christians know that we don't—about God's Word, about their lives, about love? What did they do that we're not doing? What makes Christianity so resilient in today's culture? What needs to change in order to repeat the growth our faith had at its beginning? Many people who leave or disparage the faith cite reasons that have less to do with Jesus than with the conduct of his followers. It's time to hit pause and consider the faith modeled by our first-century brothers and sisters who had no official Bible, no status, and little chance of survival. It's time to embrace the version of faith that initiated—against all human odds—a chain of events resulting in the most significant and extensive cultural transformation the world has ever seen. This is a version of Christianity we must remember and re-embrace if we want to be salt and light in an increasingly savorless and dark world.

“ Grace. It ’ s what we crave most when our guilt is exposed. It ’ s the very thing we are hesitant to extend when we are confronted with the guilt of others—especially when their guilt has robbed us of something we consider valuable. Therein is the struggle, the struggle for grace. It ’ s this struggle that makes grace more story than doctrine. It ’ s the struggle that reminds us that grace is bigger than compassion or forgiveness. That struggle is the context for both. When we are on the receiving end, grace is refreshing. When it is required of us, it is often disturbing. But when correctly applied, it seems to solve just about everything. This struggle is not new; it has been going on since the beginning. ” —Andy Stanley We find in the pages of Scripture that the stories found there often mirror our own stories, and that we too need the very thing we do not deserve: the grace of God. From the beginning, the church has had an uneasy relationship with grace. The gravitational pull is always toward graceless religion. The odd thing is that when you read the New Testament, the only thing Jesus stood against consistently was graceless religion. The only group he attacked relentlessly was graceless religious leaders. Even now as you think about grace, there might be a little voice in your head whispering, “ It can ’ t be that easy!” “ What about obedience?” “ What about disobedience?” “ What about repeated misbehavior?” “ What about bad habits?” “ What about justice?” “ What about repentance?” It ’ s this tension that makes grace so slippery. But that ’ s the beauty and the truth of grace. We don ’ t deserve it. We can ’ t earn it. It can ’ t be qualified. But God gives it to us anyway because he loves us unconditionally. The story of grace is your story. And as you are about to discover, grace plays a larger role than you imagine.

Your character, more than anything else, will impact how much you accomplish in this life. It is more important than your talent, your education, your background, or your network of friends. Andy Stanley helps you chart a course toward becoming a man or woman of character. You'll discover a definition of character that will inspire you for a lifetime, the external and internal benefits of strong character, the six false beliefs behind negative behaviors, and more. Using practical insights, biblical exposition, and engaging stories, Stanley guides you step-by-step in setting the personal goals that will build the foundation for true success. The Secret to a Life with No Regrets How important is your character? It determines everything about you! How much you will accomplish in life, and whether you are worth knowing. How you will respond to success, and how you will weather the inevitable storms of life. This is a book about uncompromised living. It is about choosing every day to be a man or woman of integrity, a person whose actions speak louder than words. Bestselling author Andy Stanley challenges you to become what you were meant to be: a person whose commitment to doing the right thing, whatever the cost, will inspire others and change your world. Story Behind the Book As a pastor, I spend a substantial amount of my time with people who are digging themselves out from personal environmental catastrophes—circumstances that were often years in the making but “ took them by surprise. ” Another group of people have faced, or are facing, storms of life that are not of their own making: storms created by the character deficits of others—storms that are a natural part of a fallen world. There, in the midst of unjust treatment and seemingly undeserved pain, the true character of a man or woman is revealed. What you see in such moments is what was really there all along. This book is about change. It ’ s about the process of taking raw materials and molding them, shaping them, and refining them into a finished product. Whether you know it or not, that process is happening in you. Your character, not your accomplishments or acquisitions, determines your legacy.

A vision. You as a leader may have it, but has your organization caught it? If a leader's vision is all about what could be and what should be, why are you buried under what is? Noted author and pastor Andy Stanley points out that if followers don't get the vision, it's because the leaders haven't delivered it. He reveals the three reasons vision doesn't stick. And then he delivers three ways to make vision stick, to make you a leader worth following:1. Cast vision strategically, defining your vision.2. Celebrate vision systematically: regularly rejoicing in the successes3. Live your vision continuously: putting your vision into practice in your own lifeWith Making Vision Stick, you'll learn how to propel you and your organization forward on the vision God has granted you.

Is it possible to disagree politically and love unconditionally? The reaction of evangelicals to political and cultural shifts in recent years revealed what they value most. Lurking beneath our Bible-laced rhetoric, faith claims, books, and sermons is a relentless drive to WIN! But the church is not here to win. By every human measure, our Savior lost. On purpose. With a purpose. And we are his body. We are not in it to win anything. We are in it for something else entirely. That something else is what this book is about. You'll discover: How to take a stand the right way. You'll learn how to make your case with a posture of humility and understanding, rather than being fueled by the fear of losing something. How to view politics through the lens of faith. Learn curiously, listen intentionally, and love unconditionally. How the life of Jesus and his teaching applies to modern-day challenges in a fresh way. The "biblical" stand may not be what we've been taught. Jesus never asked his followers to agree on everything. But he did call his followers to obey a new command: to love others in the same way he has loved us. Instead of asserting our rights or fighting for power, we need to begin asking ourselves: what does love require of me?

Includes a Q&A with the author and a team discussion guide.

It ’ s the very thing we are hesitant to extend when we are confronted with the guilt of others—especially when their guilt has robbed us of something we consider valuable. Therein is the struggle, the struggle for grace. It ’ s this struggle that makes grace more story than doctrine. It ’ s the struggle that reminds us that grace is bigger than compassion or forgiveness. That struggle is the context for both. When we are on the receiving end, grace is refreshing. When it is required of us, it is often disturbing. But when correctly applied, it seems to solve just about everything. This struggle is not new; it has been going on since the beginning. ” —Andy Stanley We find in the pages of Scripture that the stories found there often mirror our own stories, and that we too need the very thing we do not deserve: the grace of God. From the beginning, the church has had an uneasy relationship with grace. The gravitational pull is always toward graceless religion. The odd thing is that when you read the New Testament, the only thing Jesus stood against consistently was graceless religion. The only group he attacked relentlessly was graceless religious leaders. Even now as you think about grace, there might be a little voice in your head whispering, “ It can ’ t be that easy!” “ What about obedience?” “ What about disobedience?” “ What about repeated misbehavior?” “ What about bad habits?” “ What about justice?” “ What about repentance?” It ’ s this tension that makes grace so slippery. But that ’ s the beauty and the truth of grace. We don ’ t deserve it. We can ’ t earn it. It can ’ t be qualified. But God gives it to us anyway because he loves us unconditionally. The story of grace is your story. And as you are about to discover, grace plays a larger role than you imagine.

Your character, more than anything else, will impact how much you accomplish in this life. It is more important than your talent, your education, your background, or your network of friends. Andy Stanley helps you chart a course toward becoming a man or woman of character. You'll discover a definition of character that will inspire you for a lifetime, the external and internal benefits of strong character, the six false beliefs behind negative behaviors, and more. Using practical insights, biblical exposition, and engaging stories, Stanley guides you step-by-step in setting the personal goals that will build the foundation for true success. The Secret to a Life with No Regrets How important is your character? It determines everything about you! How much you will accomplish in life, and whether you are worth knowing. How you will respond to success, and how you will weather the inevitable storms of life. This is a book about uncompromised living. It is about choosing every day to be a man or woman of integrity, a person whose actions speak louder than words. Bestselling author Andy Stanley challenges you to become what you were meant to be: a person whose commitment to doing the right thing, whatever the cost, will inspire others and change your world. Story Behind the Book As a pastor, I spend a substantial amount of my time with people who are digging themselves out from personal environmental catastrophes—circumstances that were often years in the making but “ took them by surprise. ” Another group of people have faced, or are facing, storms of life that are not of their own making: storms created by the character deficits of others—storms that are a natural part of a fallen world. There, in the midst of unjust treatment and seemingly undeserved pain, the true character of a man or woman is revealed. What you see in such moments is what was really there all along. This book is about change. It ’ s about the process of taking raw materials and molding them, shaping them, and refining them into a finished product. Whether you know it or not, that process is happening in you. Your character, not your accomplishments or acquisitions, determines your legacy.

A vision. You as a leader may have it, but has your organization caught it? If a leader's vision is all about what could be and what should be, why are you buried under what is? Noted author and pastor Andy Stanley points out that if followers don't get the vision, it's because the leaders haven't delivered it. He reveals the three reasons vision doesn't stick. And then he delivers three ways to make vision stick, to make you a leader worth following:1. Cast vision strategically, defining your vision.2. Celebrate vision systematically: regularly rejoicing in the successes3. Live your vision continuously: putting your vision into practice in your own lifeWith Making Vision Stick, you'll learn how to propel you and your organization forward on the vision God has granted you.

Is it possible to disagree politically and love unconditionally? The reaction of evangelicals to political and cultural shifts in recent years revealed what they value most. Lurking beneath our Bible-laced rhetoric, faith claims, books, and sermons is a relentless drive to WIN! But the church is not here to win. By every human measure, our Savior lost. On purpose. With a purpose. And we are his body. We are not in it to win anything. We are in it for something else entirely. That something else is what this book is about. You'll discover: How to take a stand the right way. You'll learn how to make your case with a posture of humility and understanding, rather than being fueled by the fear of losing something. How to view politics through the lens of faith. Learn curiously, listen intentionally, and love unconditionally. How the life of Jesus and his teaching applies to modern-day challenges in a fresh way. The "biblical" stand may not be what we've been taught. Jesus never asked his followers to agree on everything. But he did call his followers to obey a new command: to love others in the same way he has loved us. Instead of asserting our rights or fighting for power, we need to begin asking ourselves: what does love require of me?

Includes a Q&A with the author and a team discussion guide.

Every Sunday people walk onto your church campus and decide if they will return the following week before the preacher even opens his mouth. Many of those people don’t know what to make of Jesus. They’re hesitant to be in a church. They’re not sure they belong. But over and over in the pages of the gospels, we see something extraordinary. People who were nothing like Jesus liked Jesus. Shouldn’t that be true of his church as well? In Going Deep & Wide, Andy Stanley lays out a blueprint for becoming that kind of church. Going Deep & Wide offers practical steps to help church leaders create irresistible environments, define ministry goals, and communicate more effectively with unbelievers. Each section includes discussion materials that walk you more deeply into the content of Deep & Wide and invites conversations about how to apply what you’ve learned.

Pastors want to reach the lost with the good news of Jesus. However, we ’ ve too often assumed this requires loud music, flashy lights, and skinny jeans. In this gentle manifesto, Jared Wilson—a pastor who knows what it ’ s like to serve in a large attractrational church—challenges pastors to reconsider their priorities when it comes to how they “ do church ” and reach people in their communities. Writing with the grace and kindness of a trusted friend, Wilson encourages pastors to reexamine the Bible ’ s teaching, not simply return to a traditional model for tradition ’ s sake. He then sets forth an alternative to both the attractrational and the traditional models: an explicitly biblical approach that is gospel focused, grace based, and fruit oriented.

A fresh look at the earliest Christian movement reveals what made the new faith so compelling...and what we need to change today to make it so again. Once upon a time there was a version of the Christian faith that was practically irresistible. After all, what could be more so than the gospel that Jesus ushered in? Why, then, isn't it the same with Christianity today? Author and pastor Andy Stanley is deeply concerned with the present-day church and its future. He believes that many of the solutions to our issues can be found by investigating our roots. In Irresistible, Andy chronicles what made the early Jesus Movement so compelling, resilient, and irresistible by answering these questions: What did first-century Christians know that we don't—about God's Word, about their lives, about love? What did they do that we're not doing? What makes Christianity so resilient in today's culture? What needs to change in order to repeat the growth our faith had at its beginning? Many people who leave or disparage the faith cite reasons that have less to do with Jesus than with the conduct of his followers. It's time to hit pause and consider the faith modeled by our first-century brothers and sisters who had no official Bible, no status, and little chance of survival. It's time to embrace the version of faith that initiated—against all human odds—a chain of events resulting in the most significant and extensive cultural transformation the world has ever seen. This is a version of Christianity we must remember and re-embrace if we want to be salt and light in an increasingly savorless and dark world.

“ Grace. It ’ s what we crave most when our guilt is exposed. It ’ s the very thing we are hesitant to extend when we are confronted with the guilt of others—especially when their guilt has robbed us of something we consider valuable. Therein is the struggle, the struggle for grace. It ’ s this struggle that makes grace more story than doctrine. It ’ s the struggle that reminds us that grace is bigger than compassion or forgiveness. That struggle is the context for both. When we are on the receiving end, grace is refreshing. When it is required of us, it is often disturbing. But when correctly applied, it seems to solve just about everything. This struggle is not new; it has been going on since the beginning. ” —Andy Stanley We find in the pages of Scripture that the stories found there often mirror our own stories, and that we too need the very thing we do not deserve: the grace of God. From the beginning, the church has had an uneasy relationship with grace. The gravitational pull is always toward graceless religion.
