Displacement by Development by Peter Penz
Displacement by Development: Ethics, Rights
and Responsibilities lays out this impasse
between pro- and anti-development positions,
and works diligently to frame a common ground
to overcome it. As a first step, the book
defines what the opposing positions argue.

In the previous chapter we noted that conflicting meanings of 'development' have complicated resolution of conflict over displacement. With this in mind, it is important for development ethics to approach this issue with a conception of development that is not biased a priori either against 'managerial' or 'movementist' orientations. At the same time, it needs to be noted that
