<p>8. Jh. n. Chr.: Tarik al-Jamal, ein furchtloser Schmuggler, macht sich auf eine lebensgefährliche Reise: Er will das Haremsmädchen Sabatea von Samarkand nach Bagdad begleiten ...</p>
<p>The pirates of the Caribbean have a name for kids who can walk on water -- they call them polliwogs. As far as 14-year-old Jolly knows, she's the last polliwog still alive. She is valuable to the pirate captain who raised her, for she can sneak up on an enemy ship by walking over the waves. When someone sets a trap for Jolly's ship, Jolly alone escapes. She is washed up on a tiny island inhabited by a farming family -- and the ghosts who labor for them. The farmers have a son, Munk, who has been raised almost in hiding. Munk longs to go to sea, but his parents say that they are afraid of pirates, and they have forbidden Munk to reveal his true identity -- he, too, is a polliwog. But pirates are not the only threat in the Caribbean. Evil forces are stirring, and a demon from the sea attacks and murders Munk's parents. Was the demon really after Munk? And Jolly, too? Why are the polliwogs so valuable, and who wants them enough to kill for them? Jolly and Munk must sail with a strange crew of outcasts, led by the mysterious Ghost Trader, to avenge their loved ones and try to stop an ancient, malevolent force known as the Maelstrom. What it will cost both teens, no one can tell -- in this thrilling, swashbuckling fantasy from the extraordinary Kai Meyer.</p>
<p>In Venice, magic is not unusual. Merle is apprenticed to a magic mirror maker, and Serafin—a boy who was once a master thief—works for a weaver of magic cloth. Merle and Serafin are used to the mermaids who live in the canals of the city and to the guards who patrol the streets on living stone lions. Merle herself possesses something magical: a mirror whose surface is water. She can reach her whole arm into it and never get wet. But Venice is under siege by the Egyptian Empire; its terrifying mummy warriors are waiting to strike. All that protects the Venetians is the Flowing Queen. Nobody knows who or what she is—only that her power flows through the canals and keeps the Egyptians at bay. When Merle and Serafin overhear a plot to capture the Flowing Queen, they are catapulted into desperate danger. They must do everything they can to rescue the Queen and save the city—even if it means getting help from the Ancient Traitor himself.</p>
<p>Despite inciting their families' wrath and putting themselves in grave danger, rival clan leaders Rosa Alcantara and Alessandro Carnevare refuse to give up on their love for each other. But when the young couple suffers a deadly attack from an unknown enemy, it soon becomes clear their strong feelings can't keep the past from haunting them. On the run from their adversaries and searching for answers, Rosa and Alessandro begin to unravel the secret behind the conspiracy to keep them apart: an ancient prophecy that predicted the destruction of all Arcadia if the two rival dynasties ever married and bore children. And now, they must outrun those who think they're better off dead. With Arcadian assassins trying to kill them at every turn, a group of hybrid beasts thirsty for their blood, and the ruler of all Arcadia desperate to find them, Rosa and Alessandro must find out the truth behind Arcadia once and for all. But will it be the key to unlocking their freedom and future together, or the final step in bringing them to their knees?</p>
