El Zohar es, sin duda alguna, la obra mas famosa del pensamiento místico universal, y de la Cabala en particular. Sus enseñanzas influyeron en el pasado y repercuten actualmente en todas las religiones conocidas. El volumen IX nos habla del tema del exilio, un asunto extraño y enigmático, pero esencial para comprender el devenir del alma. El descenso de las almas desde los mundos espirituales a nuestro mundo físico tiene una noble finalidad, que es el regreso a la vida verdadera y plena, simbolizada por la Tierra Prometida.

The Zohar is a mystical commentary on the Torah that is the basis for Kabbalah. This is a difficult book to translate. Matt, who has taught Jewish mysticism at Stanford University and the Hebrew University of Jerusalem, is working his way through the book, giving a comprehensive

The book Zohar - The Book of Splendor is the most important work of the Spanish Kabbalah. Zohar is a Mystical Commentary on the Torah. After the Hebrew Bible and the Talmud it is the third canonical text of Judaism. In this book the reader will have the possibility to read the Mystical Creation Story of the Zohar. Whereas in the Zohar the beginning is connected with the idea of God's extension in all directions, the reader will have the possibility to read this masterpiece of the Spanish Kabbalah. The Jewish existence in Spain came to an end in the year 1492, when the Jews were expelled from Spain and several years later from Portugal. Rabbi Isaac Luria (1534-1572), the Founder of modern Kabbalah, deeply reflected upon the meaning of this worst expulsion of the Middle Ages. Rabbi Luria did not write a lot - he mainly preached and his disciples wrote down what he said. Following a deep meditation, Rabbi Luria came up with a new concept - God put upon Himself a voluntarily Exile, He withdrew from the World - because of His solidarity with Israel. There are many writings falsely attributed to Rabbi Luria. This short Commentary on Zohar by Rabbi Luria is authentic; it was first published in Zion in Jerusalem in 1940, edited by Gershom Scholem. Josef Blaha was born in

The water vision in Hekhalot Zutarti continues an ancient tradition of exegesis of Ezekiel 1 as an account of a heavenly ascent. "Water" signifies materiality and impurity in opposition to the fiery substance (hashmal) of the celestial temple above the firmament.

This is the first translation with commentary of selections from The Zohar, the major text of the Kabbalah, the Jewish mystical tradition. This work was written in 13th-century Spain by Moses de Leon, a Spanish scholar.

Accommodates both the cosmopolitan narrative of the Jewish diaspora with traditional Jews and their culture.
