and places for an indoor voice, the ways people ask us to quiet our voices, and times when yelling might occur. “ What happens if you ’ re mad or frustrated or really, really excited? Your voice gets louder and LOUDER. ” But yelling hurts people ’ s ears and feelings. Children learn that they can quiet their voice and use their words to talk about a problem. “ Think before you yell, and use your words well! ” Includes a special section for parents and caregivers with activities and discussion starters. The Best Behavior series uses simple words and delightful full-color illustrations to guide children to choose peaceful, positive behaviors. Select titles are available in two versions: a durable board book for ages baby – preschool, and a longer, more in-depth paperback for ages 4 – 7. Kids, parents, and teachers love these award-winning books. All include helpful tips and ideas for parents and caregivers.

New English-Spanish bilingual edition gives young children strategies to ease anxieties and worries and feel better again. Everyone feels worried or anxious at times, and young children are no exception. Friendly and supportive, this bilingual English-Spanish book explains what worries are and how it feels to be worried, assuring children that lots of kids—and grown-ups too—feel worried. Children learn that there are many ways to help their worries go away: “ Guess what? You are bigger than your worries. You can learn to make your worries smaller and smaller and smaller. ” Talking about worries, moving around, keeping hands busy, breathing deeply, getting a big hug, and thinking good thoughts are all ways for children to cope with worries. A special section for adults in both languages offers activities and discussion starters for home, school, and child care. We ' ve all seen it—the nose-picking habit starts as early as the toddler years, and no child is the exception. Young children pick their noses for a variety of reasons, from colds to allergies to curiosity or boredom. This board book for toddlers and preschoolers is the answer to the age-old question “ How can I get my child not to pick, especially not in public? ” With gentle humor and kid-friendly support, this board book for toddlers and preschoolers helps guide little ones away from nose picking toward healthier habits, like using a tissue and washing their hands. Catchy words help children remember what to do; vibrant full-color illustrations bring the words to life. Throughout, the positive message shines through: noses are for breathing, sniffing, smelling . . . but not for picking!

With the newest paperback addition to the Best Behavior® series, children develop strategies to make waiting less frustrating and learn that patience is a virtue. Children are often waiting—for the school bus, their turn on the slide, or their birthday—and waiting can be frustrating! But learning to be patient and developing self-control will equip children with tools for success in school and in social settings. With vivid illustrations and simple strategies, this reassuring book helps children learn to delay gratification and make waiting more fun without relying on electronics. With her trademark mix of empathy and encouragement, author Elizabeth Verdick provides activities and ideas for children—like observing the world around them, inventing new games, and anticipating what ' s to come—that can be adapted for any situation. In this addition to the best-selling Best Behavior series, children will learn how to avoid boredom and replace whining words with waiting words: “ This will be worth the wait! ” A section for adults includes tips and activities to foster patience in children. “ Kids are important... They need safe places to live, and safe places to play. ” For some kids, this means living with foster parents. In simple words and full-color illustrations, this book explains why some kids move to foster homes, what foster parents do, and ways kids might feel during foster care. Children often believe that they are in foster care because they are “ bad. ” This book makes it clear that the troubles in their lives are not their fault; the message throughout is one of hope and support. Includes resources and information for parents, foster parents, social workers, counselors, and teachers.

Children learn boundaries and safety when using screens, and fun things to do when screens are off. As important as screens are in our lives, we all need to unplug, especially children. This reassuring picture book offers children and families a starting point for limiting screen time and making the most of the time you have with your screens and without. While screens can be helpful and fun, they are not intended for use all the time. The American Academy of Pediatrics recommends consistent limits on screen time for children, and adults should take steps to ensure online safety for kids. With straightforward suggestions, children will learn valuable information about online safety, setting healthy screen-time boundaries, and the importance of screen-free time. With her trademark mix of empathy and encouragement, author Elizabeth Verdick offers appealing and healthy alternatives to using screens, as well as ways to stay safe and
