I love the way you ink! For illustrator Ayano Usamura, her first time drawing in fountain pen was a revelation. The easy flow of ink spurred her creativity and gave character to every line. Even the simplest letters and doodles came to life! Now, with her trusty LAMY Safari in hand, Usamura shares the joy of fountain pens. You will learn to: choose the perfect pen (and take good care of it) simply sketch adorable foods, clothing, plants, and household objects write stylishly in block and cursive letters and create narrow, bold, 3-D, serif, and calligraphy effects embellish journals, labels, scrapbooks, and cards with decorative frames and borders design layouts that bring all these elements together, and put your personal touch on seven easy crafts! How to Draw and Write in Fountain Pen includes everything you need to get started: Pull-out practice paper: The paper at the end of this book is just right for pen and ink! Mini tracing booklet: The booklet inside the front cover is filled with sample doodles and designs you can trace for worry-free practice. Handy built-in pocket: Store the booklet, your drawings, and anything you like inside the back-cover pocket. Just add a fountain pen!

Before the Internet, Wal-Mart, and the shopping mall, there was Montgomery Ward.

This deluxe second edition has been expanded and reformatted to be almost one third larger than the first edition, a book that is already regarded as one of the most authoritative and entertaining books on the subject of pen collecting. Outlining eight major manufacturers and their classic model pens, the book is colorfully illustrated with photos and advertisements. You will find current collector values; new photographs including hundreds of additional vintage and contemporary writing instruments; new tips on buying, selling, and trading; and a new 'Collectibility Status Chart' identifying over 100 brands and models of fountain pens and their relative values. In addition, there are new sections on individual artisans and their unique creations and a revised section on contemporary manufacturers, double the size of the first edition. Discussions are included on building your collections, storage and display, refurbishing and repair, paper and inks, and valuing your pens. 2004 values.
