1948-. This book provides a comprehensive introduction to the scope and nature of town planning in the UK. This second edition has been thoroughly updated with recent changes in legislation and references have been revised to reflect current topical issues. It combines the main elements of the subject, such as the physical, historical, environmental, social and legal aspects of town planning, in a single volume, hitherto not found in an introductory text.

The agenda of NCRC for City and Regional Planning was as follows: 1. To revise/update the draft curriculum in the discipline of City and Regional Planning (BS & MS Programs) according to indigenous needs and to bring it at par with international standards. 2. To revise/update preface, mission, vision, preamble, and rationale of the subject. 3.
