Critically acclaimed when it was first published, Tuck Everlasting has become a much-loved, well-studied modern-day classic. This anniversary edition features an in-depth interview conducted by Betsy Hearne in which Natalie Babbitt takes a look at Tuck Everlasting twenty-five years later. What if you could live forever? Is eternal life a blessing or a curse? That is what young Winnie Foster must decide when she discovers a spring on her family's property whose waters grant immortality. Members of the Tuck family, having drunk from the spring, tell Winnie of their experiences watching life go by and never growing older. But then Winnie must decide whether or not to keep the Tucks' secret—and whether or not to join them on their never-ending journey. Praise for Tuck Everlasting by Natalie Babbitt: “ A fearsome and beautifully written book that can't be put down or forgotten. ” —The New York Times “ Exciting and excellently written. ” —The New York Times Book Review “ With its serious intentions and light touch the story is, like the Tucks, timeless. ” —Chicago Sun-Times “ Probably the best work of our best children's novelist. ” —Harper's “ Natalie Babbitt's great skill is spinning fantasy with the lilt and sense of timeless wisdom of the old fairy tales. . . . It lingers on, haunting your waking hours, making you ponder. ” —The Boston Globe “ This book is as shapely, crisp, sweet, and tangy as a summer-ripe pear. ” —Entertainment Weekly This title has Common Core connections.

58 color reproducible graphic organizers to help your students comprehend any book or piece of literature in a visual way. Our graphic organizers enable readers to see how ideas fit together, and can be used to identify the strengths and weaknesses of your students' thought processes. Our graphic organizers are essential learning tools that will help your students construct meaning and understand what they are reading. They will help you observe your students' thinking process on what you read as a class, as a group, or independently, and can be used for assessment. They include: Story Maps, Plot Development, Character Webs, Predicting Outcomes, Inferencing, Foreshadowing, Characterization, Sequencing Maps, Cause-Effect Timelines, Themes, Story Summaries and Venn Diagrams.

You're holding a new kind of professional development tool called a Strategic Teacher PLC Guide. Designed in partnership with more than 75 schools, Strategic Teacher PLC Guides make the important work of bringing high-impact, research-based instructional practices into every classroom easier than ever before. Each guide focuses on one strategy from the best-selling ASCD book *The Strategic Teacher: Selecting the Right Research-Based Strategy for Every Lesson* and serves as a complete professional development resource for a team of teachers (or professional learning community) to learn, plan, and implement the strategy in their classrooms. This guide focuses on Reading for Meaning, a reading and reasoning strategy that helps students understand new ideas, make inferences, and support their thinking with evidence. The strategy is designed around research showing that proficient readers use a specific set of thinking skills to build deep understanding of the texts they read and apply those skills in three distinct phases: before reading, during reading, and after reading. Reading for Meaning gives all students the opportunity to practice this three-phase approach by*

- * Using simple statements to preview and predict before reading.
- * Actively searching for relevant evidence during reading.
- * Reflecting on and synthesizing both their learning and their thinking process after reading.

This PLC Guide takes you and your colleagues on a "guided tour" of Reading for Meaning, enabling you to*

- * Learn how Reading for Meaning builds reading, reasoning, and problem-solving skills.
- * Experience a model lesson using the Reading for Meaning strategy and learn from sample lessons and planning forms designed by other teachers.
- * Plan a complete Reading for Meaning lesson for your classroom.
- * Reflect deeply on your lesson to refine and expand your use of the strategy.
- * Examine student work at various levels of proficiency and use your findings to plan next steps in building students' reading, thinking, and comprehension skills.

Harvey F. Silver, president of Silver Strong & Associates and Thoughtful Education Press, is a nationally recognized presenter and professional development specialist. He has collaborated with Richard Strong and Matthew Perini on several best sellers in education, including ASCD's *The Strategic Teacher* and Thoughtful Education Press's award-winning *Tools for Promoting Active, In-Depth Learning*. Susan C. Morris, an experienced consultant and former classroom teacher, develops practical applications for teachers, students, and parents in the areas of differentiated instruction, brain-based research, experiential learning, and curriculum design. Victor Klein, a former building-level administrator, has been a Silver Strong & Associates trainer for 25 years. He is an expert in professional learning communities, administrative training, and unit and lesson design.

Kek comes from Africa. In America he sees snow for the first time, and feels its sting. He's never walked on ice, and he falls. He wonders if the people in this new place will be like the winter – cold and unkind. In Africa, Kek lived with his mother, father, and brother. But only he and his mother have survived, and now she's missing. Kek is on his own. Slowly, he makes friends: a girl who is in foster care; an old woman who owns a rundown farm, and a cow whose name means "family" in Kek's native language. As Kek awaits word of his mother's fate, he weathers the tough Minnesota winter by finding warmth in his new friendships, strength in his memories, and belief in his new country. Bestselling author Katherine Applegate presents a beautifully wrought novel about an immigrant's journey from hardship to hope. *Home of the Brave* is a 2008 Bank Street - Best Children's Book of the Year.

Grant Panter grew up in England and went to Canada as a young man, where, while managing a store, a customer recommended that he consider teaching English as a Second Language in Toronto. After many years at George Brown College he was asked to evaluate student teachers and found, that although they had theoretical knowledge, they were not able to prepare clear, understandable lesson plans and he resolved to remedy that with this book. He taught students from all

over the world for 27 joyful years and, now retired, lives aboard his boat in the summer and travels to South America in the winter. This book contains 85 complete English grammar lesson plans that cover all the essential English grammar. Are you a new teacher, perhaps going abroad? Are you a substitute teacher who is given a class at short notice? Are you a non-native speaker who needs help to explain grammar? Are you a more experienced teacher who doesn't want to prepare lessons anymore? If the answer to any of these questions is yes, then this is the book that you have been looking for. The methodology is simple and effective. 1. Written lesson plan...(for blackboard) 2. How to teach each lesson 3. Oral practice drills for each lesson 4. Homework suggestions 5. Daily review In addition, there are Oral Verb Drills and Written Verb Review exercises. This book, for teachers, can be used to teach beginner, intermediate and advanced students.

Winner of the Newbery Medal and the National Book Award! This #1 New York Times bestselling, modern classic in which boys are forced to dig holes day in and day out is now available with a splashy new look. Stanley Yelnats is under a curse. A curse that began with his no-good-dirty-rotten-pig-stealing-great-great-grandfather and has since followed generations of Yelnatses. Now Stanley has been unjustly sent to a boys' detention center, Camp Green Lake, where the boys build character by spending all day, every day digging holes exactly five feet wide and five feet deep. There is no lake at Camp Green Lake. But there are an awful lot of holes. It doesn't take long for Stanley to realize there's more than character improvement going on at Camp Green Lake. The boys are digging holes because the warden is looking for something. But what could be buried under a dried-up lake? Stanley tries to dig up the truth in this inventive and darkly humorous tale of crime and punishment—and redemption. Includes a double bonus: an excerpt from *Small Steps*, the follow-up to *Holes*, as well as an excerpt from Louis Sachar's new middle-grade novel, *Fuzzy Mud*. "A smart jigsaw puzzle of a novel." --The New York Times WINNER OF THE BOSTON GLOBE-HORN BOOK AWARD A NEW YORK TIMES BOOK REVIEW NOTABLE CHILDREN'S BOOK SELECTED FOR NUMEROUS BEST BOOK OF THE YEAR AND ALA HONORS

An African-American family is united in love and pride as they struggle to overcome poverty and harsh living conditions, in the award-winning 1959 play about an embattled Chicago family

In this multicultural picture book, Carrie goes from one neighbor's house to the next looking for her brother, who is late for dinner. She discovers that although each family is from a different country, everyone makes a rice dish at dinnertime. Readers will enjoy trying the simple recipes that correspond to each family's unique rice dish.
