What would have made Look Behind You better? An original thought What do you think your next listen will be? Stephen king or Jodi Piccoult possibly. How could the performance have been better? A better book. What character would you cut from Look Behind You? This book was so bad that I actually wanted the whiny main character to die.

April Corrigan's life is turned upside-down when she when she learns that her father has been working secretly undercover for the FBI. When his testimony convicts a notorious drug dealer, the whole family must relocate and enter the Federal Witness Security Program. April's entire way of life changes--not just her name. And when she attempts to communicate with her boyfriend, an agent is killed. With thrills, chills, and a high-speed cross-country chase, master suspense writer Lois Duncan will leave readers breathless!

#1 New York Times bestselling author Iris Johansen and Edgar Award-winning author Roy Johansen are back with Look Behind You, a novel featuring Kendra Michaels—hired gun for both the CIA and FBI. A serial killer is on the loose in San Diego with a most unusual M.O. With each kill, the perpetrator leaves behind mystifying random objects. In this confusing array of unrelated evidence, the one thing that is clear is that the murders all have one characteristic in common: they all require the specific skills of Kendra Michaels, hired gun for both the CIA and FBI. Kendra, who was blind for the first twenty years of her life, gained her sight through a revolutionary surgical procedure and now uses her acute powers of observation to assist in cases all over the United States. FBI investigators soon make a startling discovery: the left-behind objects are actually souvenirs of other unsolved serial murder cases from around the country. And the new crimes feature “holdback” characteristics never disclosed to the general public—meaning that one single killer was behind the nation’s most notorious serial murder

cases and has now come to challenge and taunt Kendra. The investigators—a “dream team” of profilers—join Kendra in the pursuit, but as the body count rises and the detectives themselves become the newest targets, Kendra must risk everything to defeat a psychopath whose terrifying plan is years in the making...

"Chloe Benson wakes up kidnapped and bound in an underground tomb with no memory of how she got there. She escapes through deserted woods with her life, but no one believes her story. And when she suspects her husband is lying to her, Chloe is forced to retrace her past, following in her own footsteps to find the truth and stay alive"--Page 4 of cover.

A collection of true-crime tales features individuals who are targeted by random and known perpetrators and includes the main story, "North to Alaska," in which two families are drawn into a web of intrigue by a 30-year-old murder. Original.

Timothy Renner's book, "Beyond the Seventh Gate", explored the history and mysteries of the infamous Toad Road - an area in York County, Pennsylvania which is home to a variety of paranormal activity. "Don't Look Behind You" expands on that volume, presenting more cases of strangeness from the area. Renner's continuing research has brought forth more stories and new witnesses describing bigfoot attacks, UFOs, venomous snakes, Mothman, orbs, buried treasure, and even a creepy Toadman lurking in the nearby creek. To these stories, Renner adds his own experiences of oddities, weird synchronicity, rare animals, unexplained lights, and other high strangeness. "Don't Look Behind You" serves as a companion volume to "Beyond the Seventh Gate" - the books can be read independently. It is not required that you read "Beyond the Seventh Gate" before reading "Don't Look Behind You".

The magical Hotel of Hoo is a mysterious place with some very unusual occupants. As our guests explore the strange hotel, they are invited to experience everything it has to offer with just one warning... don't ever look behind door 32. This imaginative picture book aims to take children beyond the first ten cardinal numbers, and introduces them to the patterns of counting in a fun and accessible way. With rooms to explore and unique objects to count, children will enjoy lingering on each page as they make their way closer to the forbidden door.
