Tehillim - Book of Psalms with English translation ...
This Midrash can be interpreted to mean: Who causes G-d to fulfill the mitzvos? The Jewish people. The Jewish people's performance of mitzvos causes G-d to observe those same mitzvos. Hence, when the Jewish people put on tefillin, this causes G-d to put on tefillin. [What is meant by the statement, "G-d puts on tefillin"?

Tehillim . For simple poetic genius, for pathos, sweetness and heartfelt piety, King David's Book of Psalms is unique. The Psalms are songs of praise to the Creator, speaking of His greatness, goodness and mercy, as well as of His power and justice. The Psalms reflect the full spectrum of life's experiences, both of the individual and of the Jewish nation collectively. No wonder than that throughout the ages, Psalms has served as a boundless source of inspiration, courage and hope. Rabbi Yosef B. Marcus has once again compiled a staggering treasure house of commentary and insights on this fundamental text, offering us a deeper appreciation for every letter and every word of Psalms. Anthologized from hundreds of commentators, classic to obscure, this work will allow Tehillim readers to bring newly-found inspiration and meaning to their daily, weekly and monthly recitations. The commentary is rounded off by an incisive Introduction, bibliography and index. The physical appearance is likewise enhanced by original artwork, two-color printing and an elegant deluxe binding.

In 2004, Mayer Gruber?s landmark Rashi?s Commentary on Psalms made one of the 11th-century scholar?s most important works accessible to a larger audience for the first time. The JPS paperback edition of this exceptional volume includes the complete original Hebrew text and acclaimed linguist Mayer Gruber?s contemporary English translation and supercommentary. Fully annotated by Gruber, Rashi?s Commentary on Psalms places Rashi, the most influential Hebrew biblical commentator of all time, in the larger context of biblical exegesis. Gruber identifies Rashi?s sources, pinpoints the exegetical questions to which Rashi responds, defines the nuances of Rashi?s terminology, and guides the reader to use the English translation as a tool to access the original Hebrew text. Gruber?s extensive introduction takes a critical look at Rashi and his enduring legacy.

In Fighting over the Bible Isaac Kalimi explores the roots of the conflicts among Jews and between Jews, Christians, and Muslims regarding their interpretations of Jewish Scripture, as well as the rich new exegetical and theological approaches that grew from these controversies.

The opening sections of some Midrashim deal with the same type of material that is found in the introductions to medieval rabbinic Bible commentaries. These are designated as “Inner-Midrashic Introductions” (IMIs). Further analysis of Bible commentary introductions reveals a high degree of continuity between them and the IMIs, including the newly discovered “Inner-Commentary Introduction” (ICI). The existence of IMIs and ICIs challenge the current view of the origin and development of Bible introduction in Judaism. They also elucidate some of the links between midrash and commentary.

Series: Jewish and Christian Heritage Series, 2 Early Jewish Exegesis and Theological Controversy is an important collection of essays on aspects of Hebrew Bible/Old Testament theology, the reception of biblical texts in Judaism and Christianity; the Aqedah, and related topics. The book comprises three main parts: a) the Aqedah and the Temple, b) Biblical Texts in Polemical Contexts, and c) Biblical Theology, Judaism and Christianity. Although each part deals with a specifically defined topic, all are linked by some common themes: all the sections discuss early Jewish exegesis, namely the early scriptures' interpretation in late Biblical literature, in the Apocrypha and Pseudepigrapha, in Jewish-Hellenistic writings, the Dead Sea Scrolls, and a variety of Rabbinic sources, essentially the Targumim and midrashim. Each chapter of the book covers theological controversies, either among the Jewish groups themselves, and/or between Judaism and other religious denominations, especially Christianity. "By now Isaac Kalimi is recognized the world over as one of the last of the vanishing breed of biblical historians and as one of a handful of experts in the biblical books of Chronicles. Kalimi demonstrates in the first five chapters of Early Jewish Exegesis and Theological Controversy that he is also fully grounded in Second Temple literature and qualified to discuss the exegesis of Hebrew Scripture reflected in rabbinic literature, Samaritan lore, the New Testament, and the Nag Hammadi library. The message conveyed by prefacing five important studies on ancient exegesis--Jewish, Christian, and Samaritan--to his two essays on biblical theology at the dawn of the twenty-first century is that Kalimi's mastery of all relevant dialects of Hebrew, Aramaic, and Greek and his unquestioned competence as a historian of both events and ideas qualifies him to offer some very original and timely advice to the world community of biblical scholars concerning biblical theology." - Mayer I. Gruber, In: Review of Biblical Literature (2004). "This book belongs on the shelves of every serious Judaica library; it also addresses a general readership, and it is of interest to undergraduate as well as graduate students... [it states] the important engagement and willingness of the author to approach the virtual minefield of discussion about biblical history and exegesis." - Rivka Ulmer, In: Review of Rabbinic Judaism 7 (2004). "As is necessary in interdisciplinary studies, Isaac Kalimi emerges as a jack of many trades in this book: rabbinic, Samaritan studies, patristics and theology. He has also demonstrated that he is a master in biblical studies... Kalimi's book is a necessary, timely and much appreciated offering. It serves as a model of mutual scholarly benefit for Jewish and Christian scholars engaged in the literature of their formative periods." -- T. Meacham, In: Biblical Interpretation in Judaism and Christianity (2006). "Kalimi's argumentation is thorough, wide-ranging, and impressionistic. His technique is to collect evidence from a variety of sources, to construct a history, and then to propose a single circumstantial explanation... There is much to discuss in these essays. Kalimi is an energetic, thoughtful, and challenging scholar...a fine collection by a scholar who represents one of the most interesting traditions in Israeli biblical scholarship." - Francis Landy, In: Journal of Hebrew Scriptures 4 (2002-2003).

Ancient Readers and their Scriptures explores the ways that ancient Jews and Christians interpreted the Hebrew Bible in antiquity, focusing on the processes of reading that are preserved in the textual and material record of the corpora that engage Jewish scripture.

Of Scribes and Sages focuses primarily on early interpretation of Scripture, including the emergence of Scripture as Scripture in its various versions and contexts. It examines recent research into the relationship of the Old Testament to the New and how sacred Scripture was interpreted during New Testament times. It also provides stimulating examples to students, scholars, and clergy in how the task of interpretation is to be done.
