Never Cry Wolf is a wonderful book and I think it is my favorite (and I liked them all) of the Night Watch series so far. This is Lucas' story, who we met in the first book (Eternal Hunter). He is the alpha of the LA wolf pack and a very dangerous man who has fought for his rightful alpha place in life.

USA Today and New York Times best-selling author Cynthia Eden has a classic paranormal romance for readers in the mood to walk on the wild side. The big, bad wolf has BITE. No one messes with Lucas Simone. He 's the alpha of the LA wolf pack. Bigger, badder, and one hell of a lot more dangerous than the other wolf shifters, Lucas is the monster in the dark. But when Lucas finds himself framed for murder, an unlikely savior appears at his jail cell. She 'll give him an alibi. He 'll give her pack protection. Sarah King is a desperate woman, and a desperate woman will do super desperate things—like pretend to be involved with super-hot and mega-scary Lucas. Sarah is struggling to hide her supernatural abilities from Lucas, but as her feelings grow for the sexy shifter, the harder it is for Sarah to keep her powers under wraps...and to keep her hands off Lucas. Maybe she can charm him into falling for her... Little secret...Sarah has been a fan of Lucas 's for years, and when she discovers that an attack against him is imminent, she decides to help her hero. Another wolf alpha wants to take control of everything that Lucas possesses, and he is intent on burning down Lucas 's world. But Lucas has never been afraid of a little fire. The attraction he feels for her is primal. Consuming. The wolf within him knows that he has found his mate, and Lucas will do anything to keep her at his side. Doesn 't matter who he must fight, Lucas is ready for the battle. Sarah made a bargain with him, and now, she 'll belong to Lucas...forever. Author 's Note: You can 't keep a wolf shifter from his mate, so don 't even try. Prepare for a fierce alpha wolf and a heroine with a past cloaked in secrecy. They will fall fast and hard for each other, and when danger comes...things will just get hotter. NEVER CRY WEREWOLF was originally released as NEVER CRY WOLF back in June of 2011. The book has been updated and given a new cover. It 's a classic read for fans of paranormal romance.

EYE TO EYE WITH DEATH: THE WOLF PROJECT Hordes of bloodthirsty wolves are slaughtering the arctic caribou, and the government's Wildlife Service assigns naturalist Farley Mowat to investigate. Mowat is dropped alone onto the frozen tundra, where he begins his mission to live among the howling wolf packs and study their ways. Contact with his quarry comes quickly, and Mowat discovers not a den of marauding killers but a courageous family of skillful providers and devoted protectors of their young. As Mowat comes closer to the wolf world, he comes to fear with them the onslaught of bounty hunters and government exterminators out to erase the noble wolf community from the Arctic. Never Cry Wolf is one of the brilliant narratives on the myth and magic of wild wolves and man's true place among the creatures of nature. "We have doomed the wolf not for what it is, but for what we deliberately and mistakenly perceive it to be — the mythologized epitome of a savage, ruthless killer — which is, in reality, no more than the reflected image of ourself." — From the new Preface

Convincing werewolf Lucas Simone, the leader of the most feared pack on the West Coast, that she needs his protection, Sarah King, who is not quite as innocent as she'd like Lucas to believe, must her deny her attraction to this powerful creature before he unleashes her own wild side. Original.

By enquiring into the puzzle of sibling relations, Frank J. Sulloway pioneers a new view of how family affects individual development. He shows that birth-order is so fundamental to the family that it transcends gender, class and nationality.

"It hooked me from the first page." --Christine Feehan Beware Of Each Other In a hotbed of secrets like Baton Rouge, it's only natural Assistant DA Erin Jerome is keeping a couple of her own. Like the fact she's not entirely human--she's Other, desperately trying to keep her supernatural strength under wraps. Or that she's got a killer stalking her--an Other rogue set on "gifting" her bloody corpses, not to mention nights lying awake in terror. But the bounty hunter on her new case is about to change everything. Jude Donovan is a shapeshifter, and when the two are near each other their hidden instincts are definitely awakened. Tracking a rogue Other through half of Louisiana is hard enough without letting their wild sides come out to play. . . "Cynthia's on my must-buy list." --New York Times bestselling author Angie Fox
