Running in the Family: Amazon.co.uk: Ondaatje, Michael ...

Running in the Family Summary. Michael Ondaatje's memoir is divided into seven sections organized by subject, rather than chronologically. The memoir begins with a nightmare that Ondaatje has while living in Canada about his father, Mervyn. In the dream, Mervyn is surrounded by vicious, thrashing dogs in the jungle.

Running in the Family by Michael Ondaatje Plot Summary ...

Running in the Family is a fictionalized memoir, written in post-modern style involving aspects of magic realism, by Michael Ondaatje. It deals with his return to his native island of Sri Lanka, also called Ceylon, in the late 1970s. It also deals with his family. Much of the focus falls on his father Mervyn Ondaatje and his scandalous drunken antics.

Mervyn is the father of Michael Ondaatje, Gillian, and Ondaatje's other siblings, and is Doris's husband for 14 years. Mervyn is born to a wealthy, respectable upper-class family in Ceylon. However, despite his family's prestige, Mervyn comes of age in the 1920s and embodies the decade's brash and irresponsible behavior.

Mervyn Ondaatje Character Analysis in Running in the ...

In Running in the Family, Michael Ondaatje uses motifs, syntax, and analogies in order to create a mythic Ceylon and convey his fragmented identity through the fate of history. By employing a sarcastic and ironic tone, he creates an analogy between what people in the past did to Ceylon and what he is doing in the memoir; he is making a "chart" of his father.

Running in the Family is not a novel, although part of it is fictionalised. It's a kind of memoir of Ondaatje's Sri Lankan family, chunks of which are clearly flagged as fictionalised, and it's...

Why I Love: Michael Ondaatje's Running in the Family

Running in the Family by Michael Ondaatje. 9780679746690, available at Book Depository with free delivery worldwide.

In the late 1970s Ondaatje returned to his native island of Sri Lanka. As he records his journey through the drug-like heat and intoxicating fragrances of that "pendant off the ear of India," Ondaatje simultaneously retraces the baroque mythology of his Dutch-Ceylonese family. An inspired travel narrative and family memoir by an exceptional writer.

In Michael Ondaatje's beloved family memoir, fact and fiction blur to create a dazzlingly original portrait of a lost time and place. Ondaatje left Ceylon (now Sri Lanka) at the age of eleven. Almost twenty-five years later, he returned to sort out the recollected fragments of experience, legend, and family scandal, and to reconstruct the carefree, doomed life his parents and grandparents had led in a place where couples danced the tango in the moonlight, where drink, gambling, and romance were the main occupations of the upper class. Rich with eccentric characters and captivating stories, and set against the exotic landscape of a colonial empire in decline, Running in the Family is Ondaatje's unforgettable journey through memory and imagination to reclaim his past.

"During certain hours, at certain years in our lives, we see ourselves as remnants from the earlier generations that were destroyed... I think all of our lives have been terribly shaped by what went on before us." Twenty-five years after leaving his native Sri Lanka for the cool winters of Ontario, a chaotic dream of tropical heat and barking dogs pushes Michael Ondaatje to travel back home and revisit a childhood and a family he never fully understood. Along with his siblings and children, Ondaatje gathers rumours, anecdotes, poems, records and memories to piece together this fragmented portrayal of his family's past, his father's destructive alcoholism and the colourful stories and secrets of ancestors both disgraced and adored throughout centuries of Sri Lankan society. In an exotic, evocative portrait of the heat, wildlife, sounds and silences of the Sri Lankan landscape, Ondaatje combines vivid recreations of a privileged, eccentric older generation with a deeply personal reconciliatory journey in which he explores his own ghosts, and how his family's extraordinary history continues to influence his life.

From Michael Ondaatje: an electrifying new novel, by turns thrilling and deeply moving -- one of his most vividly rendered and compelling works of fiction to date. In the early 1950s, an eleven-year-old boy boards a huge liner bound for England. At mealtimes, he is placed at the lowly "Cat's Table" with an eccentric and unforgettable group of grownups and two other boys. As the ship makes its way across the Indian Ocean, through the Suez Canal, into the Mediterranean, the boys find themselves immersed in the worlds and stories of the adults around them. At night they spy on a shackled prisoner -- his crime and fate a galvanizing mystery that will haunt them forever. Looking back from deep within adulthood, and gradually moving back and forth from the decks and holds of the ship to the years that follow the narrator unfolds a spellbinding and layered tale about the magical, often forbidden discoveries of childhood and the burdens of earned understanding, about a life-long journey that began unexpectedly with a sea voyage.

NATIONAL BEST SELLER From the internationally acclaimed, best-selling author of The English Patient: a mesmerizing new novel that tells a dramatic story set in the decade after World War II through the lives of a small group of unexpected characters and two teenagers whose lives are indelibly shaped by their unwitting involvement. In a narrative as beguiling and mysterious as memory itself--shadowed and luminous at once--we read the story of fourteen-year-old Nathaniel, and his older sister, Rachel. In 1945, just after World War II, they stay behind in London when their parents move to Singapore, leaving them in the care of a mysterious figure named The Moth. They suspect he might be a criminal, and they grow both more convinced and less concerned as they come to know his eccentric crew of friends: men and women joined by a shared history of unspecified service during the war, all of whom seem, in some way, determined now to protect, and educate (in rather unusual ways) Rachel and Nathaniel. But are they really what and who they claim to be? And what does it mean when the siblings' mother returns after months of silence without their father, explaining nothing, excusing nothing? A dozen years later, Nathaniel begins to uncover all that he didn't know and understand in that time, and it is this journey--through facts, recollection, and imagination--that he narrates in this masterwork from one of the great writers of our time.

Following the phenomenal success of Michael Ondaatje's Booker Prize-winning third novel, The English Patient, expectations were almost insurmountable. The internationally acclaimed #1 bestseller had made Ondaatje the first Canadian novelist ever to win the Booker. Four years later, in 1996, a motion picture based on the book brought the story to a vast new audience. The film, starring Ralph Fiennes and Juliette Binoche, went on to win numerous prizes, among them nine Academy Awards, including Best Picture. Worldwide English-language sales of the book topped two million copies. But in April 2000, Anil's Ghost was widely hailed as Ondaatje's most powerful and engrossing novel to date. Winning a Governor General's Literary Award for Fiction, the Kiriyama Pacific Rim Book Prize and the Giller Prize, Anil's Ghost became an international bestseller. "Nowhere has Ondaatje written more beautifully," said The New York Times Book Review. The setting is Sri Lanka. Steeped in centuries of cultural achievement and tradition, the country has been ravaged in the late twentieth century by bloody civil war. As in The English Patient, Ondaatje's latest novel follows a woman's attempt to piece together the lost life of a victim of war. Anil Tissera, born in Sri Lanka but educated in England and the U.S., is sent by an international human rights group to participate in an investigation into suspected mass political murders in her homeland. Working with an archaeologist, she discovers a skeleton whose identity takes Anil on a fascinating journey that involves a riveting mystery. What follows, in a novel rich with character, emotion, and incident, is a story about love and loss, about family, identity and the unknown enemy. And it is a quest to unlock the hidden past -- like a handful of soil analyzed by an archaeologist, the story becomes more diffuse the farther we reach into history. A universal tale of the casualties of war, unfolding as a detective story, the book gradually gives way to a more intricate exploration of its characters, a symphony of loss and loneliness haunted by a cast of solitary strangers and ghosts. The atrocities of a seemingly futile, muddled war are juxtaposed against the ancient, complex and ultimately redemptive culture and landscape of Sri Lanka. Anil's Ghost is Michael Ondaatje's first novel to be set in the country of his birth. "There's a tendency with us in England and North America to say it's a book "about Sri Lanka." But it's just my take on a few characters, a personal tunnelling into that " The book's not just about Sri Lanka; it's a story that's very familiar in other parts of the world -- in Africa, in Yugoslavia, in South America, in Ireland. "I didn't want it to be a political tract. I wanted it to be a human study of people in the midst of fear."

Bringing to life the fabulous, colorful panorama of New Orleans in the first flush of the jazz era, this book tells the story of Buddy Bolden, the first of the great trumpet players--some say the originator of jazz--who was, in any case, the genius, the guiding spirit, and the king of that time and place. In this fictionalized meditation, Bolden, an unrecorded father of Jazz, remains throughout a tantalizingly ungraspable phantom, the central mysteries of his life, his art, and his madness remaining felt but never quite pinned down. Ondaatje's prose is at times startlingly lyrical, and as he chases Bolden through documents and scenes, the novel partakes of the very best sort of modern detective novel--one where the enigma is never resolved, but allowed to manifest in its fullness. Though more 'experimental' in form than either The English Patient or In the Skin of a Lion, it is a fitting addition to the renowned Ondaatje oeuvre.

Michael Ondaatje's selected poems, The Cinnamon Peeler, brings together poems written between 1963 and 1990, including work from his most recent collection, Secular Love. These poems bear witness to the extraordinary gifts that have won high praise for this truly original poet and novelist.

"Tumultuous, vibrant, tragic and over too soon." --Newsday Handwriting is Michael Ondaatje's first new book of poetry since The Cinnamon Peeler. The exquisite poems collected here draw on history, mythology, landscape, and personal memories to weave a rich tapestry of images that reveal the longing for--and expose the anguish over--lost loves, homes, and language, as the poet contemplates scents and gestures and evokes a time when "handwriting occurred on waves, / on leaves, the scripts of smoke" and remembers a woman's "laughter with its / intake of breath. Uhh huh." Crafted with lyrical delicacy and seductive power, Handwriting reminds us of Michael Ondaatje's stature as one of the finest poets writing today.
