Leonard Cohen is one of the great writers, performers, and most
consistently daring artists of our time. Book of Longing is Cohen's
eagerly awaited new collection of poems, following his highly

acclaimed 1984 title, *Book of Mercy*, and his hugely successful 1993 publication, *Stranger Music*, a *Globe and Mail* national bestseller. *Book of Longing* contains erotic, playful, and provocative line drawings and artwork on every page, by the author, which interact in exciting and unexpected ways on the page with poetry that is timeless, meditative, and at times darkly humorous. The book brings together all the elements that have brought Leonard Cohen's artistry with language worldwide recognition.

First published in 1956 when he was twenty-two years old, *Let Us Compare Mythologies* is Leonard Cohen's first collection of poetry. It is an accomplished and passionate collection which demonstrates Cohen's remarkably assured voice, even as a young man. An unprecedented debut published to immediate acclaim, new generations of readers will now rediscover not only the early work of one of our most beloved writers, but poetry that resonates loudly with relevance today.

To mark the publication of Leonard Cohen's final book, *The Flame*, McClelland & Stewart is proud to reissue six beautiful editions of Cohen's cherished early works of poetry, many of which are back in print for the first time in decades. A freshly packaged new series for devoted Leonard Cohen fans and those who wish to discover one of the world's most adored and celebrated writers. Originally published by McClelland & Stewart in 1961, *The Spice-Box of Earth* was Leonard Cohen's breakout book, announcing the arrival of a major talent, and a popular one--the first edition sold out in less than three months, and one reviewer hailed Cohen as "probably the best young poet in English Canada right now." In his second collection, Cohen deepens his engagement with subjects that would define his career;

as biographer Sylvie Simmons argues, "the poems dance back and forth across the border between the holy and the worldly, the elevated and the carnal."

A definitive selection of song lyrics and poems from the Rock-and-Roll Hall of Fame inductee and Grammy Lifetime Achievement Award-winning musical artist includes such influential pieces as "Sisters of Mercy," "Bird on the Wire" and "I'm Your Man."

In *The Wordless Leonard Cohen Songbook*, master engraver George A. Walker provides a new perspective on a man whose words have captivated generations. Walker's latest wordless narrative presents a suite of 80 wood engravings commemorating the life and artistic accomplishments of Leonard Cohen, the Montreal-born poet, novelist, and singer-songwriter whose career has spanned almost six decades. Best read to music, *The Wordless Leonard Cohen Songbook* presents images of Cohen's iconic public persona alongside vivid interpretations of his ever-evolving work. The engravings compose a biographical mosaic that invites readers backstage, behind the curtains of Cohen's critical and commercial acclaim. Some scenes are drawn from history; other depictions arise from imagination and interpretation. These images encourage us to search beyond the visual elements and to see in them a poem, a song, a meaningful turn of phrase. They urge us to look beyond the black and white and to consider Cohen's life and work through the lens of our own experience. *The Wordless Leonard Cohen Songbook* originated in celebration of Cohen's 80th birthday as a limited edition of 80 copies hand printed in Walker's studio in Leslieville, Toronto.
