Some Kids Are Deaf: 9781474756884-Amazon.com: Books
Some Kids are Deaf is a book about children who are deaf. The book informs us on why some kids are deaf, tools used to help hear better, and ways of communication and speech. Also, the book tells how deaf people rely on their sight and sense of touch to understand what is happening. I did not mind the book. It was interesting learning about deaf people and the way they operate.
