A story about finding your way back after a teenage trauma and discovering love along the way, with all the thrills and drama readers have come to expect from gay mm romance author Romeo Preminger. My name is Elijah Masters, and I haven't been the same since my dad died in an electrical fire. My friends and teachers lifted me up to make it to high school graduation. But away at college, I chose sex and partying to cover up the gaping hole in my heart. I got sent home on academic suspension, and now I'm back in West Palm Beach, Florida, living with my mom. That's seriously depressing, and then I find out my mom's got a live-in boyfriend. Really thoughtful on her part. We haven't even been through the second anniversary of dad's death, and the guy, Justin, is totally not age-appropriate. He's this sketchy "lifestyle coach," who's really obviously sponging off my mom. To make things ten thousand times worse, Justin's a gorgeous, golden haired fitness god, and as much as I want to hate him, he does things to me I can't control just being in his presence. My daily escape from Crazytown is working as a barista-in-training at a coffee shop, where oddly enough this kid Mike Shatz holes up to study. We went to middle school and high school together, though we traveled in different circles. I don't know Mike's deal, but I remember he had it kind of tough. The rap on Mike was he was slow, but I think it's more like he's on the spectrum. People in our town are pretty ignorant, and meanwhile Mike's really come into his own. I'm kind of falling in love with his dark brown, wavy shag of hair. I don't know if anything is going to come of that, but I need to keep an eye on Justin. I've got this feeling he's after something, and I've got to wake my mom up to the game he's playing. A genre-bending thriller that's part family drama, part mm new adult romance, and part high stakes mystery suspense. About Guilty Pleasures Editions: Romeo Preminger's Guilty Pleasures Editions titles are a branded line of hardcore romantic suspense standalones with murder, mayhem, and steamy mm romance.

She's always craved his touch...even though it's forbidden. When Ash is assigned her first feature as a reporter, it should have been simple: interview a real life Dominant for an article about BDSM. But her subject is none other than Darien Gallagher, her best friend's stepfather...and it'll be an interview she never forgets. What started for Dare as a lesson in sensual domination suddenly has become so much more. He can't deny the spark between them, even though he knows she's completely off limits. With every seductive word, every lesson, Dare tests Ash's resolve and pushes her boundaries. But at the same time, her boss Adam has her craving things she shouldn't. While Ash finds herself dreaming of both men, a dark secret threatens to destroy everything. But how can she hold onto a relationship that isn't even real? The newest romance from Opal Carew, My Best Friend's Stepfather is everything fans desire!

One look inside Clinical Applications of Bowen Family Systems Theory, and you'll see that your most current clinical dilemmas are not as difficult to solve as you think. You'll find plenty of information to assist you in treating a vast audience of populations--the elderly, college students, troubled couples, remarried families, and children with severe medical

problems. You'll also find that you're able to apply the Bowen systems theory to nearly every clinical situation--emotional dysfunction in children, alcoholism, incest, divorce, depression, phobias, and obsessive-compulsive disorders. *Clinical Applications of Bowen Family Systems Theory* is an ideal companion for family therapists, clinical psychologists, clinical social workers, psychiatrists, psychiatric nurses, and counselors. You'll find your working comprehension of Murray Bowen's work will grow, and you'll become more adept at applying what you read in real-life clinical situations, especially in these related areas: family systems assessment based on the Bowen Theory marital fusion and differentiation bridging emotional cut-off from a former spouse dealing with a child-focused divorce case studies of alcoholism and family systems *Clinical Applications of Bowen Family Systems Theory* is the first book to collect, illustrate, and walk you through a full application of this highly effective treatment method in any number of clinical settings. Both beginning and experienced therapists will find interesting reading in the history of the theory, and the result will be interested clients who begin to create functional, thriving personal histories for themselves.

In the early part of the twentieth century, Buenos Aires erupted from its colonial past as a city in its own right, expressing a unique and vibrant cultural identity. *Intersecting Tango* engages the city at this key moment, exploring the sweeping changes of 1900-1930 to capture this culture in motion through which Buenos Aires transformed itself into a modern, cosmopolitan city. Taking the reader through a dazzling array of sites, sources, and events, Bergero conveys the city in all its complexity. Drawing on architecture and gendered spaces, photography, newspaper columns, schoolbooks, "high" and "low" literature, private letters, advertising, fashion, and popular music, she illuminates a range of urban social geographies inhabited by the city's defining classes and groups. In mining this vast material, Bergero traces the profound change in social fabric by which these diverse identities evolved, through the processes of modernization and its many dislocations, into a new national identity capable of embodying modernity. In her interdisciplinary study of urban development and cultural encounters with modernity, Bergero leads the reader through the city's emergence, collecting her investigations around the many economic, social, and gender issues remarkably conveyed by the tango, the defining icon of Buenos Aires. Multifaceted and original, *Intersecting Tango* is as rich and captivating as the dance itself.

The treatment of sexually abused children between the ages of 7 and 12 present a unique clinical challenge. These victims are in the developmental phase of latency where post-traumatic discomfort and internal conflict are often manifested in self-destructive, sexually inappropriate, and aggressive behavior toward adults and peers. Often unresponsive to interventions that require direct verbal communication, these children need special therapeutic approaches to master feelings of shame, helplessness, responsibility, anger, and sadness, which are concomitant with sexual abuse and disclosure. Group treatment has been shown to be an important component of healing for these children. This volume is the first book on the treatment of sexual abuse that is devoted exclusively to a group treatment approach. **GROUP TREATMENT FOR SEXUALLY ABUSED CHILDREN** considers the impact of sexual molestation and disclosure on latency-aged children and provides a step-by-step guide to a comprehensive program for victims and their non-offending caretakers. Establishing a therapeutic framework that enables both children and adults to deal with anxiety producing material, themes addressed in a sequence of progressive difficulty. More than a description of a program, this manual offers actual interventions to be used with children and their non-offending caretakers, including guidelines for anticipating and responding therapeutically to expected resistances. The structured curriculum, which consists of ten modules, presents a variety of activities that assist children and adults to begin to identify and express their conflicts and feelings. Each module delineates the Purpose, Objectives, Therapeutic Considerations, Activities and Treatment Challenges for children and their caretakers. Each activity for children incorporates group topics for the caretakers' group which parallel the material presented in the children's group. This approach integrates the treatment, increasing the likelihood of a successful experience for the children. Illustrative case examples are offered to demonstrate how children and adults respond to the activities. Unique features of this program include its attention to the important developmental tasks for children as well as the sequelae of sexual molestation; its respect for the ways in which boys and girls respond differently to sexual trauma; and its inclusion of over 40 original handouts for children and caretakers which may be photocopied for use in your practice. An ideal resource, the structure and variety of original materials in this outstanding volume provide direction and focus for all therapists who are dedicated to the recovery of sexually abused children and their families. Further, many of the handouts are useful for individual and family treatment and, with some modifications, can also be used in work with adolescents. As an added convenience, all the forms in this manual may be photocopied for use in your practice

Read this classic romance **DAUGHTER OF HASSAN** by New York Times bestselling author Penny Jordan, available for the first time in e-book! Innocent Danielle is horrified to learn her beloved Arabic stepfather has arranged her marriage to his nephew. It's clear Jourdan thinks a woman's place is within the palace walls, but Danielle can't help but be drawn to her brooding suitor. Marriage to him would only destroy her...wouldn't it? Originally published in 1982 And discover **HEART OF THE DESERT** by USA Today bestselling author Carol Marinelli Georgie is exactly the kind of woman Sheikh Prince Ibrahim should avoid—streetwise, troubled and not interested in being queen—she's the perfect challenge for this brooding rebel prince. And in the burning heart of the desert, Ibrahim won't rest until Georgie surrenders to their desire... Originally published in 2011

**My Alpha Male Stepfather Book 1, Plus My Alpha Male Stepfather Book 2 Buy now with 1-Click!** Natalie was not surprised to hear that her mother had gotten married again. When she shows up to what is supposed to be a mother-daughter vacation to celebrate Natalie's college graduation she finds Gloria has skipped out yet again, she does have a surprise waiting for her in the form of her gorgeous new stepfather Ray. Ripped, tattooed, wealthy, and intensely powerful, Ray is the definition of an alpha male. Natalie can't resist the lure of the taboo and the passionate command of her stepfather to spend some quality time together. Book 2 of **My Alpha Male Stepfather** Natalie got a surprise when she showed up for vacation with her mother and found that Gloria wasn't there, but her gorgeous stepfather Ray was there. Now that she and her alpha male stepfather have gotten cozy and have been enjoying their vacation together, Gloria has suddenly showed back up and wants to spend time with her. Instead, Natalie and Ray must find some creative ways to keep up their island fun together. Will finally confronting Gloria give them a chance to be something more? Get your copy today! Named a most anticipated novel by Oprah Daily, Vogue, Parade, The Millions, and Electric Lit • A Reader's Digest

Quarantine Book Club Pick • Longlisted for the Center for Fiction First Novel Prize “Kept Animals is a darkly beautiful book, tender yet powerful, an exquisite exploration of hurt and desire, the why of wanting, taking, and giving. And Kate Milliken knows her stuff when it comes to horses.” —Jeannette Walls, author of *The Glass Castle* and *Half Broke Horses* “In this rugged and ravishing debut, a tragic car accident upends the lives of multiple Southern California families—particularly three teenage girls, whose lives and desires intersect in ways none of them could have imagined.” —Oprah Daily A bold, riveting debut novel of desire, betrayal, and loss, centering on three teenage girls, a horse ranch, and the accident that changes everything. It’s 1993, and Rory Ramos works as a ranch hand at the stable her stepfather manages in Topanga Canyon, California, a dry, dusty place reliant on horses and hierarchies. There she rides for the rich clientele, including twins June and Wade Fisk. While Rory draws the interest of out-and-proud June, she’s more intrigued by Vivian Price, the beautiful girl with the movie-star father who lives down the hill. Rory keeps largely separate from the likes of the Prices—but, perched on her bedroom windowsill, Rory steals glimpses of Vivian swimming in her pool nearly every night. After Rory’s stepfather is involved in a tragic car accident, the lives of Rory, June, and Vivian become inextricably bound together. Rory discovers photography, begins riding more competitively, and grows closer to gorgeous, mercurial Vivian, but despite her newfound sense of self, disaster lurks all around her: in the parched landscape, in her unruly desires, in her stepfather’s wrecked body and guilty conscience. One night, as the relationships among these teenagers come to a head, a forest fire tears through the canyon, and Rory’s life is changed forever. *Kept Animals* is narrated by Rory’s daughter, Charlie, in 2015, more than twenty years after that fateful fire. Realizing that the key to her own existence lies in the secret of what really happened that unseasonably warm fall, Charlie is finally ready to ask questions about her mother’s past. But with Rory away on assignment, Charlie knows she must unravel the truth for herself.

This updated and expanded edition provides comprehensive coverage of the theory and practice of counselling survivors of child sexual abuse (CSA). In a reasoned and thoughtful approach, this book honestly addresses the complex issues in this important area of work, providing practical strategies valuable and new insights for counsellors.

"I've got the love to give. Now how can I get my stepchild to accept it?" Does that question sound familiar? Whether you are presently a stepparent, a dating single parent, or in the courtship stage before marriage, the challenge of blending families is one of the most difficulty you will ever face. *Winning the Heart of Your Stepchild* is a hands-on guidebook for today's men and women who face the special challenge of blending families. Because children must process so many emotions and thoughts -- guilt over the divorce, unrealistic expectations, a sense of panic or fear -- parents must learn to interpret those feelings and behaviors for any new family to succeed. This book shows how to - create an open atmosphere in the home - give reassuring answers to a child's questions - become a strong team with your new spouse - deal with the inevitable challenge to a new authority figure - build a foundation of love, understanding, and personal discipline that will make your new family special. *Winning the Heart of Your Stepchild* provides an indispensable road map for new moms and dads who want one vibrant, happy, blended family.
