Tapestry Weaving: Design and Technique eBook:
Soroka ...

Tapestry is first of all a technique. It differs from other forms of patterned weaving in that no weft threads are carried the full width of the fabric web, except by an occasional accident of design.

Tapestry - Techniques | Britannica

Tapestry Weaving by Joanne Soroka A thorough book all about tapestry weaving techniques, tools and designs. Our buyer's comments: Yes, another tapestry weaving book, but well worth buying, with lovely samples of up-to-date work as well as historical tapestries. The woven examples of the various techniques are very good.

Books and publications on tapestry
Tapestry weaving emphasizes the artistic part of weaving over the function aspect. With very thin weaving threads of different colors and a lot of patience, nearly photorealistic tapestries can be woven. However, modern styles often use dramatic textures with bright colors to give the biggest possible impact

As an Arts and Crafts tutor, I would

recommend this book for students of all

levels, learning tapestry weaving. Today many

students are introduced to tapestry weaving

by day workshops and may come from a textile

related background of say knitting or fashion

design.
