Tara : an archaeological survey (Book, 1997) [WorldCat.org]

Tara Research Project The Discovery Programme began carrying out research in Tara in 1992, often in collaboration with the Centre for Archaeological Survey at the Department of Archaeology, NUI Galway. The research on Tara led to the publication of a guide book for a general audience, "Tara: The Guidebook".

The Discovery Programme - Wikipedia

TARA: AN ARCHAEOLOGICAL SURVEY (Discovery Programme Monograph 2), 1997 Ireland's Discovery Programme is widely recognised as a remarkable initiative. Its unapologetic focus on research has long attracted envious glances from archaeologists in neighbouring countries where oppor

Book Review - JSTOR

The Discovery Programme publishes in this monograph the results of the North Munster Project's pioneering intertidal archaeological survey in south-west Ireland. The Shannon estuary is introduced in a multidisciplinary chapter that uses archaeology, history, folklore, cartographic sources and placename studies to explore its role in the region's history.

## Monographs - Discovery Programme

The Discovery Programme has produced a detailed map of all of the monuments on the Hill of Tara using a combination of the geophysical survey finds and topography. The topography map is in digital format, which means it is fully interactive. It can be interrogated and manipulated in order to reveal features that are otherwise barely visible.
