Pratt then proceeds to smell and taste the wine, and he slowly begins to narrow down its possible origin. Eventually he gets the correct answer and Schofield sits there horrified. Just as Pratt is starting to get nasty about the bet, the house maid appears at his arm and offers him his spectacles, which he had misplaced earlier.

How and to what extent did women writers shape and inform the aesthetics of Romanticism? Were undervalued genres such as the romances, gothic fiction, the tale, and the sentimental and philosophical novel part of a revolution leading to newer, more democratic models of taste? Fiona Price takes up these important questions in her wide-ranging study of women's prose writing during an extended Romantic period. While she offers a re-evaluation of major women writers such as Mary Wollstonecraft, Maria Edgeworth, Ann Radcliffe and Charlotte Smith, Price also places emphasis on less well-known figures, including Joanna Baillie, Anna Letitia Barbauld, Elizabeth Hamilton and Priscilla Wakefield. The revolution in taste occasioned by their writing, she argues, was not only aesthetic but, following in the wake of British debates on the French Revolution, politically charged. Her book departs from previous studies of aesthetics that emphasize the differences between male and female writers or focus on higher status literary forms such as the treatise. In demonstrating that women writers' discussion of taste can be understood as an intervention at the most fundamental level of political involvement, Price advances our understanding of Romantic aesthetics.

Don Gregorio was among the first to finish praying. He had confessed the same sin he had been reporting for many years: the violation of God's rule No. 3: "Remember the Sabbath day, to keep it holy," which means not working on Sundays. Don Gregorio always opened his grocery store on Sundays and then went to church to confess this sin. The Blessing Flood and Other Tales is a captivating collection of ten short stories involving a wide range of human experiences. Author F. A. Paniagua begins with the account of a corrupt Catholic priest and his parishioners. Tales of panic in the time leading up to the year 2000 and the terror subsequent to the attacks on 9/11 in New York City follow. Other stories explore the effect of societal pressures on susceptible young women, the desperate plight of the homeless, and the existence of God. Thought-provoking and entertaining, The Blessing Flood and Other Tales will lead you through a gamut of human emotions.

Originally published in 1972, this important work of Chaucerian scholarship dsals with two aspects of the poet and his work - his individual achievement and his place in history - and demonstrates that in both these senses Chaucer is a maker of English poetry. The author explores Chaucer ' s narrative art. The book includes an examination of the puzzling question of narrative structure in the Canterbury Tales and of the nature of Chaucerian comedy in these works. The author surveys the major themes of the poems: Fortune and free will, marriage, and the nobleness of man. In the final chapter she treats of the meaning of Chaucer ' s art for his successors. Throughout the work, Miss Kean deals extensively with the sources which Chaucer used for the writing of his poems, in a way which directs light on the more difficult aspects of his art.

This selection of twenty of Hawthorne's tales is the first in paperback to present his most important short works with full annotation in one volume. ABOUT THE SERIES: For over 100 years Oxford World's Classics has made available the widest range of literature from around the globe. Each affordable volume reflects Oxford's commitment to scholarship, providing the most accurate text plus a wealth of other valuable features, including expert introductions by leading authorities, helpful notes to clarify the text, up-to-date bibliographies for further study, and much more.

Tales of Times That Never Were A young villager meets a mythical being in the forest, finding her life changed forever. An artisan discovers a distant, seemingly idyllic village and a peculiar secret. Magic And an ambition young queen struggles to secure a kingdom—with or without the help of a mysterious imp. Mystery The last good man flees an accused city with his daughters, only to confront a remnant of the impossible in the wasteland. Adventure A happy-go-lucky traveler meets his polar opposite on the roads, becoming inextricably drawn to her. Romance A girl, a boy, a villain, and a crowded Viennese café. Hundreds of performances, always ending the same. Until now. Six Stories of Forgotten Lands & Impossible Realms

Most of these ten stories belong to a loosely-knit series tracking the potential effects of possible developments in biotechnology on the evolution of global society. "A master of the SF short story"—Robert Reginald.
