Social Insights with Koka Sexton - The Art of Social Selling

Social Selling, in the right hands, can bring unprecedented opportunities for connecting and engaging decision makers. For the most part, companies are beginning to wise-up to Social Selling. Forty-nine percent of B2B enterprises have developed a formal social selling programme, and 28% are in the process of doing so. But for those that have yet to formalize a Social Selling programme, it can be tough to understand what it is, and how can it benefit your business.

Pressing Engagement: The Art of Social Selling

One million new contacts, however, does not automatically mean one million new prospects, or even 100,000 new prospects. But social selling does enable you to get a strong, specific sales message to a staggering range of targeted prospects at the lowest possible cost.

The Art of Social Selling Free Summary by Shannon Belew

Social selling is about finding and engaging with prospects (and customers) online. Each time you login to a social media network to identify new prospects, connect with them and provide value by answering questions and sharing relevant content, you are social selling. Think of social selling as a softer sales approach.
