Since the war Graham Greene has travelled habitually to the world's trouble-spots and has provided leading newspapers and journals with articles about what he saw. While contending that a writer must be free of political affiliations he has committed himself to many

Access Free  
The Dangerous  
Edge countries and causes,  
and while insisting  
that literature must  
never be used for  
political ends he has  
written novels  
informed by a political  
urgency. The  
Dangerous Edge is  
about his political  
reportage and how  
the observations that  
formed it were  
transformed into

# Access Free The Dangerous

literature. It is about how a novelist who struggled to record public issues dispassionately became in the process an important political conscience.

After the daring theft of a cache of secret documents, letters, and photographs from the vault of a Nice
