India Sommers is a librarian and a talented historian, so when a stranger asks her opinion on an ancient coin she is happy to oblige but when the same man is murdered less than an hour later, it soon becomes apparent that there is far more to the situation than meets the eye. Recognising her unique talents for historical reference, she is quickly recruited by Brandon Walker, a Security Service intelligence officer investigating the strange disappearance of a very special young girl. As the facts unravel, they realize that an ancient artefact linked to the cult of the Vestal Virgins from ancient Rome may hold the key to her whereabouts and Brandon draws on India's vast historical knowledge to unravel clues that date right back through history to the time of the great flood. Slowly, the full horror and mind blowing truth of what they have discovered becomes clear and they become involved in a race against time in a horrific and shocking finale.

A brutal cult. A gruesome rite. A primal evil... At a remote farmhouse outside Turin, a mysterious religious exorcism goes horribly wrong, setting in motion a series of catastrophic events, that threatens to bring the world to its knees... Meanwhile, Professor Alex Harker is settling into his new life in the Templar Brotherhood, when he is suddenly whisked away to the Tower of London. There he learns of a disturbing murder, and a strange riddle hinting at a sinister truth. Now the fate of the Templars hangs in the balance, at risk from a powerful conspiracy, which, unbelievably, seems to lead back to the very source of evil: the Devil himself... A stunning conspiracy thriller you ' ll have to read to believe, perfect for fans of Scott Mariani, Chris Kuzneski and Dan Brown.

The Magi return... When a brutal attack leaves a priest close to death and screaming of dark prophecies, Professor Alex Harker once again finds himself pulled into the shadowy world of the Magi. On dubious pretences, Harker must join a desperate search for the missing child he has sworn to protect. But as he edges closer to the truth, he realises the child ' s importance pales in significance to the cataclysmic events unfolding around him. When reality and prophecy start to merge, and nations begin to crumble, Harker knows the future of the planet is in his hands. Its salvation lies in the discovery of one thing: The 4th Secret. A heart-stopping rollercoaster that won ' t let go, R.D. Shah ' s brilliant thriller is perfect for fans of Dan Brown, Scott Mariani and Chris Kuzneski.

An adrenaline-packed thriller and archaeological adventure by Paul Sassman, an outstanding new storyteller In 523 BC, the Persian emperor Cambyses dispatched an army across Egypt's western desert to destroy the oracle of Amun at Siwa. Legend has it that somewhere in the middle of the Great Sand Sea, his army was overwhelmed by a sandstorm and destroyed. Fifty thousand men were lost. A mutilated corpse washes up on the banks of the Nile. An antiques dealer is murdered. An eminent British archaeologist is found dead at the ancient necropolis of Saqqara. At first, the incidents appear unconnected. Inspector Yusuf Khalifa of the Luxor police is suspicious, however. And so too is the archaeologist's daughter, Tara Mullray. As each seeks to uncover the truth, they find themselves thrown together in a desperate race for survival—one that forces them to confront not only present-day adversaries but also ghosts from their own pasts. From a mysterious fragment of ancient hieroglyphic text to rumors of a fabulous lost tomb in the Theban Hills, from the shimmering waters of the Nile to the dusty back streets of Cairo, Khalifa and Mullray are drawn ever deeper into a labyrinth of violence, intrigue, and betrayal. It is a path that will eventually lead them into the forbidding, barren heart of the western desert, and the answer to one of the greatest mysteries of the ancient world. At once an adrenaline-packed thriller and a wonderfully evocative archaeological adventure, The Lost Army of Cambyses marks the debut of an outstanding new storyteller.

The world ' s most sacred and mysterious object and a race for survival... The brilliant new thriller from global bestseller James Becker In Ethiopia, Charles Bronson and Angela Lewis are on the hunt for the Ark of the Covenant. But it looks like their luck is running out. Until, that is, a new avenue springs open in Southern France. Meanwhile the Vatican is getting worried. Their best people are tracking the Ark, but so are a mysterious group operating from Jerusalem. Both are prepared to use deadly force. As the net closes in around the most powerful artefact in history and the greatest mystery, it ' s also tightening around Bronson and Lewis. They ' ll need all their smarts to escape this time... A deadly cat and mouse game through a world of history and myth, perfect for fans of Dan Brown, Chris Kuzneski and Scott Mariani.

When Brandon Walker receives a plea for help from an old adversary, he wastes no time in recruiting the extraordinary talents of India Sommers to unravel a trail of murder, tragedy and the possibility of untold wealth. They soon discover a letter from five hundred years earlier and the trail leads them to one of the missing treasures of the modern world, The Piri Reis map. India and Brandon attempt to uncover the secrets of the map, but as they travel the world in the quest to uncover a treasure from the greatest Sultan that ever lived, they are closely watched at every step by a family of Assassins with an agenda of their own.
---

Nothing can prepare them for what lies at the end of their journey... When a 1000-year-old crucifix is discovered around the neck of a 500-year-old mummy, Brandon Walker once more calls on the expertise of India Sommers to solve the mystery. Within days they discover that there is far more to this than a hoax and it soon becomes clear that the crucifix links back to Hitler ' s SS. Ultimately, what they find is not only a cover-up of global proportions and the tragic aftermath of a long-forgotten battle, but a group of dangerous men seeking the most powerful and dangerous artefact of all time, known simply as the Icon. A pulse-pounding conspiracy thriller with a twist you won ' t see coming, perfect for fans of Dan Brown, Scott Mariani and Chris Kuzneski.

To find the truth, one must first uncover the lies... When a Catholic priest hangs himself at the Pope ' s inauguration in St. Peter ' s Square, his friend, Professor Alex Harker, is dragged into a secret war. The suicide sets into motion a timetable of terrifying events that will irrevocably change the world as we know it. With the clock ticking, pursued by a deadly assassin, Harker must track down and decipher pieces of a puzzle laid down by the dead priest. Harker finds himself in an epic battle – one that has been playing out on the fringes of society since the birth of Christ. It threatens to reveal a truth so shocking that it could enslave and transform mankind's destiny forever. A rip-roaring crypto-thriller fuller of twists and action, perfect for readers of Dan Brown, Scott Mariani and Chris Kuzneski.

A mysterious tome holds the key to a religious conspiracy millennia old, which could reveal a lost world and the secret origins of the human race... John Madison is hired by a magician to find a rare sixteenth-century book of sorcery, stolen by the magician ' s assistant, and lost to him for thirty-five years. In his widest reaching journey yet, Madisun travels from the great mosques of Istanbul to the ruins of Pergamon and the temples of the Near East. His search will lead him to a revelation of biblical proportions and the secrets behind his own mysterious birth. The devastating conclusion to the Mesopotamian trilogy, The Angel of Eden is perfect for fans of James Rollins, Scott Mariani and Steve Berry.
