treatment of health problems affecting women. Covers topics such as sexually transmissible diseases, fertility control, urinary problems, diet, nutrition, and exercise. Includes a glossary and an index. The author has worked as a medical journalist, coordinator of Medical Training for the Family Planning Federation of Australia, a medical officer at an AIDS clinic, and a partner in a practice specialising in reproductive medicine. She is co-author of the best-selling 'The Australian Women's Weekly Family Healthy and Medical Guide' and 'The Penguin Consumer Guide to Medicines'.

At a time when healthcare costs are skyrocketing, approximately 47 million Americans are without medical insurance. Setting aside the debate over healthcare in the U.S., this guide explores the best options for those without insurance. Readers will find information on state and federal resources for the uninsured, choosing a hospital, saving on prescription medications, and when to use the emergency room and when to use a clinic. *?According to The New York Times, "more than 1?3 of the uninsured-17 million of the nearly 47 million-have family incomes of \$40,000 or more" ?According to the Kaiser Commission on Medicaid and the uninsured, there were 6.6 million uninsured people in high-income homes in 2001, and that number has now increased

You've heard you can save big bucks by heading overseas for major medical care-- but you don't want your concerns to get lost in translation. Learn to navigate the international health-care system and find the destination that works best for you.

Emmy redefines trauma in a way that allows you to accept the things that have happened to you in your life, reflect on who they've made you become & guide you on how to unravel yourself from the throws of these traumas. She gently enables you to go on and live with vibrant possibility ? Paloma Faith, Multi-platinum Singer & Songwriter _____ Do you find yourself plagued by anxiety or depression? Do you struggle with an eating disorder or constantly criticise the way you look? Do you often feel stuck in destructive patterns/cycles and toxic relationships with partners/family/friends/colleagues? Do you feel like you play small and have lost touch with the real you? If you said yes to any of these then Find Your True Voice was written for you. Trained psychotherapist, Emmy Brunner, has created the ultimate 11-step self-healing guide you need to identify and overcome the wounds of the past that are negatively impacting your mental health and preventing you from being the happiest version of yourself. She will help you to: Identify your inner critical voice and challenge limiting beliefs Identify your personal unresolved trauma and shame/guilt you are carrying Find new, positive coping strategies Recognise and articulate your needs Confront and overcome fear, worry and anxiety Discover self-acceptance and begin to show up fully in all your relationships and your career Uncover your true
