Book Description: Concepts in Composition: Theory and Practice in the Teaching of Writing is designed to foster reflection on how theory impacts practice, enabling prospective teachers to develop their own comprehensive and coherent conception of what writing is or should be and to consider how people learn to write. This approach allows readers to assume the dual role of both teacher and student as they enter the conversation of the discipline and become familiar with some of the critical ...

Writing History 2ed provides students and teachers with a comprehensive overview of the emergence and development of history as a discipline and of the major theoretical developments that have informed historical writing. Instead of focusing on theory, the book uses key historical texts to explain key concepts and demonstrate the ways they have informed practical work.
