And so Sutton Hoo also acts as a reminder of how much we do not know about Anglo-Saxon history, about how we must think before we make even the shallowest assumptive leap. If the grave 's precise status is in doubt, its uniqueness is not, and the treasure is a much needed feast for the eyes in a period starved of visual aids.

~~The Sutton Hoo Treasure - Famous Treasure Finds~~

The most famous Anglo-Saxon treasures in the Museum come from the Sutton Hoo burial site in Suffolk. Here mysterious grassy mounds covered a number of ancient graves. In one particular grave, belonging to an important Anglo-Saxon warrior, some astonishing objects were buried, but there is little in the grave to make it clear who was buried there.

Most iconic among the treasures is undoubtedly the Sutton Hoo helmet. Highly corroded and broken into more than one hundred fragments when the burial chamber collapsed, the helmet took many years work by the British Museum conservation team to reconstruct. Today, it is arguably the face of the Anglo-Saxon period.
